Competition Teams

Our award winning competition teams are for the more serious dancer ages 8-18 with a desire to take multiple classes a week, attend local competiitions and work as part of a team. Please contact us to set up an audition.

Live Stream & Online Classes

We understand that some dancers will prefer to dance from home so we are offering access to our in studio classes.

For dancers who are looking for additional ways to improve their skill development, we have partnered with CLI Studios in LA to provide prerecorded classes from top choreographers.

As the only *More Than Just Great Dancing™* affiliated studio in the area, we subscribe to a higher standard of dance instruction and management principles. Our committment to you is to provide more than an excellent dance instruction. We go beyond technique to develop important life skills, learning to be respectful, confident and conscientious young people who share their gifts and talents with the community.

WE FOLLOW THE SAFER STUDIO™ More Than Just Great Dancing! GUIDELINES

We are committed to following SAFER STUDIO guidelines which include more than just additional cleaning procedures. We offer small class size options. We've also created new social distancing curriculum for all classes so dancers can safely experience the fun of dance!
