Coronation And Bonfire Set Off Homecoming Activities

Days of Anticipation Climaxed with Coronation

Homecoming brings "home" the school spirit and makes the student body proud to be from W. H. S. Coronation and the Football game create excitement and anxiety throughout the entire school as students hurry to get decorations up for the dance and plans in order.

This year students were bursting with enthusiasm and curiosity as Thursday and Friday night neared.

On Thursday evening, October 6, the auditorium filled with people waiting for the revelation of the '66-'67 Homecoming Queen. After a skit, Paul Rauen introduced our Royalty. Excitement drew to a point of pleased cries and screams as Lynette Hartung placed the crown on Jane Weinzierl.

After coronation, the students moved on to the bonfire outside the school. This year the bonfire on Thursday evening, but the bonfire was lit on Wednesday evening and put out. But because the fire started burning again Thursday afternoon, the bonfire had to be compiled again. For the third and last time, the bonfire started again on coronation evening as Queen Jane started the fire. The cheerleaders conducted a pep-fest that sparked everything off to higher school spirit throughout the entire school.

Finally the day of the game was upon us. The Deep-Fry U-High Homecoming buttons appeared on students. Although we lost the game 13-33, the Chiefs tried their hardest to "Deep-Fry U-High".

The Homecoming Events were drawn to a close with a dance featuring the "Grasshoppers." Homecoming '66 was put in the minds of students and never will it be forgotten.

Dennis Laufenburger Makes All Conference

Excellent forward play of the 1966-67 Chiefs was reflected in the selection of Denny to the Coaches All-Conference team. Our other starting forward, Jim Weinzierl, narrowly missed being named to the honor team. Laufenburger's teammates added to his individual recognition by voting him the most improved Senior and the Most Valuable Player on the squad. Leadership through action and positive attitude combined with tenaciousness on defense were Laufenburger's outstanding assets. In addition he was second on the team in rebounding and scoring and led the Chiefs in other important areas with his aggressive floor play.

Tomahawk Writers Praise, Criticize, And Give Their View Points.

A school newspaper serves to introduce journalistic principles to high school students as well as to act as a communications media among the students in the school. Often it also acts as a public relations device between the school and the community. Members of the 1966-67 TOMAHAWK staff gained experience in many areas during their work on the paper. Reporters, while working on articles, were introduced to methods of interviewing people and writing newspaper stories. Editors coordinated the sports, feature, and news sections and planned the layout of the paper. The business staff typed, lettered, and mimeographed the newspaper.

Junior Achievers Earn And Learn

A. Klein hard at work!

The Junior Achievement program includes advisors, counseling firms, contributors, stockholders and customers as well as achievers. The purpose of the program is to promote and supervise economic education in a learning-by-doing method for the youth, to make youth aware of the business system, and to provide a coming generation of workers, investors, and managers with a positive philosophy.

The J. A. Company operates the same as a regular adult business, only on a smaller scale. The main idea of the business is for the achiever to learn by himself--learn-by-doing--the ways of business.

Each company liquidated its assets in May. If a profit has been made, the stockholders receive a dividend.

The mixed chorus began the year by rehearsing for their second annual hootenanny which was held in the small gym on November 8. They presented three tunes; one of which, "They Call the Wind Maria," was accompanied by bass fiddle, guitar, and drums. The girls' glee club sang two selections and the boys' glee club rendered two negro spirituals, a cappella, and a prison song to the driving beat of guitar and bass.

Interspersed with the large group presentations were several audience sing alongs led by a number of different students and also by Mr. Winch.

The Octette was last on the program singing "Downtown" and "Ferris Wheel" and then closed off the evening's festivities by leading the crowd in a rousing rendition of "If I Had a Hammer."

The Octette's enthusiasm made the Hootenanny a success.
