The great sea
Has sent me adrift
It moves me
As the weed in a great river
Earth and the great weather
Move me
Have carried me away
And move my inward parts with joy.

-Song of Uvavnuk, an Eskimo Woman

SET ADRIFT IN THE GREAT RIVER EARTH

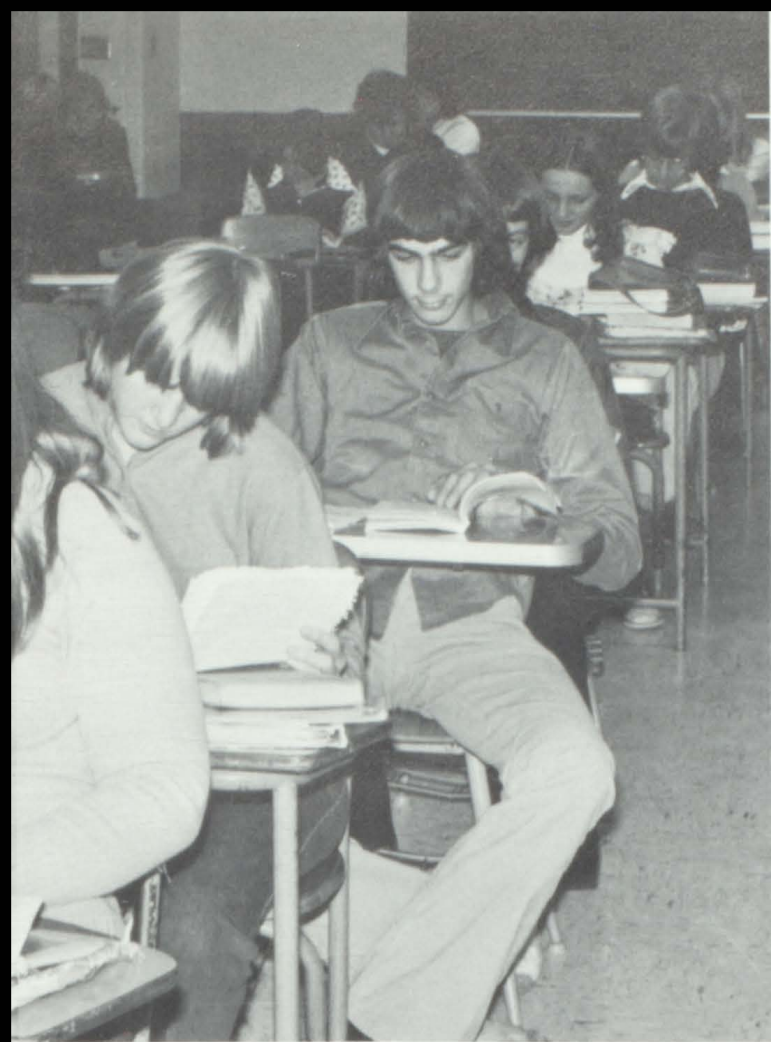

Everyone wants to be young; everyone except a young person. Young people are "set adrift" in the world and are expected to find their way. It does not take much time before they realize that parents are not the dominant force that they once were. They are finding a freedom that they had never known before; a freedom that is not always pleasant. This is the beginning of their search. It is a search for the right to be called adults, for the answers, for themselves. During this time, young people have the opportunity to grow; to make the most of their lives and to find peace with themselves. They have the chance to reach just about any goal that they decide to set for themselves. There is only one catch; to reach their goal, they must accept responsibility. Few young people want to trade the freedom of their youth for this responsibility. It is this same lack of responsibility in today's youth that many adults complain about and, at the same time, long for when they wish to be young, again.

THE SPIRIT OF OUR LAND

March

Minnesota State Fair Grand Champion

**WHS BAND
REPRESENTS**

"SPIRIT OF OUR LAND"

Marching Band meant a lot more than winning trophies and eating at MacDonalds. Being a band member meant reporting for 6:30 A.M. practices, special squad rehearsals, and sectionals. The band began a busy, successful season competing in several parades in Minnesota, and then travelled to Wisconsin for a 3-day tri-state competition. In Sun Prairie they received third place in both parade and concert competition. They repeated the performance placing 3rd in Waupaca. Long practices paid off as the band placed 1st in Cold Spring, Glenwood, and Anoka. Their impressive marching record prompted an invitation to participate in the Aquatennial Grande Day and Torchlight Parades. The season's highlight was being selected Minn. State Fair Grand Champion Band. "Spirit of Our Land" became their theme song and represented the spirit of our band.

Enthusiastic cheerleaders and pom pon girls opened coronation 1974. Mr. McDonald, the head football coach introduced the football team and then Mike Bleichner, Master of Ceremonies, introduced 1973 Queen Dena Speak. Now the big moment for all the nervous pages--The Grand March--Brenda Dahlke escorted by Steve Oftelie, Medora Weiser escorted by Tim Gatz, and Lori Dungey escorted by Joel Segner. The Queen candidates were Sue Devins and her escort Karl Bost, Kim Anderson and John Buesgens, Belinda Speak and Dale Weinzierl, Yolanda Savaryn, and Paul Heger, and Diane Wehle and her escort Ted Bather. While the girls nervously waited, the Senior Boy's Trio sang "Cherish" and then--Diane Wehle was crowned Queen. Jim Russell sang a solo for Diane and she began her reign over Waconia High School.

Frustration. Defeat. You never get used to it. A potentially rugged Chief's team opened the season with a disappointing loss to Montgomery. This was followed by the most gratifying game of the season, the 40 to 8 stomping of rival Norwood. With a defense that was toughening up and an offense starting to move out, the Chiefs entered the Homecoming contest with high hopes. In the words of Coach McDonald, the severe shoulder injury to Senior quarterback Joel Wyttenhove in that game, "broke our back." Soph. Tom Johnson lofted a pretty TD pass to Tom Groschen at the game, and Senior Todd Johnson filled in well at later games, but the team never really recovered. One of the best defensive linemen to play for Waconia was John Buesgens, who led the Chiefs defense in tackles this season on his way to win All Suburban West Conference honors. Three Seniors made Conference Honorable Mention: Ted Bather, Karl Bost, and Jack Schneewind.

Volleyball

ANOTHER YOUNG TEAM PUTTING IT TOGETHER

"Cooperative team effort was lacking," lamented second year coach Sue Traen reflecting on the girls' volleyball season record of 3 wins and 9 losses. This is not an unusual concern for the coach of what was again a fairly young and inexperienced team. All of the conditioning drills... bleachers, jumping rope, sprints, laps and more laps... really cannot provide that extra ingredient needed to win consistently—the experience developed by playing together as a team. The potential nucleus of a fine varsity volleyball team is present, however. If the potential develops, if fine techniques are learned and applied, the girls volleyball team has a fair chance to improve its sixth place finish in the conference.

Girl's Athletic & Recreation Assoc.

FACELIFT ON GIRL'S SPORTS & ACTIVITIES

GARA just isn't the same anymore. In fact, it is much better than ever before. This year there were some very important changes. First there was the decision not to charge dues. This meant no official rosters of members, and the need for greater organization to plan all the various activities. The Board (With President Rita Erhard) and Class Representatives with Mrs. Lien's able help met the challenge. They say that all activities were carried out as planned. Also, because of the new emphasis on girl's sports, GARA is no longer just a few girls playing games for fun. This year there would be new activities: among them canoeing, cross country skiing, and an expanded extramural bowling tournament. For those girls who wished lots of fun and activity, there was something nearly every night.

Cross Country

THE '74 SEASON TURNS INTO A RECORD YEAR

How many extracurricular activities involve running across the United States? The Cross Country Team livened up their early morning and after school practices by simulating a run across the United States. The time and effort spent to add these extra miles really paid off, as new boys' and girls' records were established. Senior Deb Kopp set the 1 1/2 mile record at 11:06, while Scott Hermann, just a freshman, set a new boys' record at 17:44; later he even broke this record running the 3 miles in 16:41. Coach Mel Anderson ran with a young team which included only 2 seniors, as well as Alberto Vivanco, a student from Ecuador.

Varsity Cheerleaders

LEADIN' THE SCREAMIN' AT ALL CHIEFS' GAMES

"Success ... Straight to the Top ... Victory ... Football on their minds ... No, not only the players, but football was on the minds of eight enthusiastic cheerleaders as well. For Seniors LeeAnn Johnson, Belinda Speak, Diane Wehle and for juniors Sue Erickson, Karen Broksma, Donna Ostman, Jeanne Stacken, and Sue Buesgens it was an extremely active fall season. These girls, the football cheerleaders, spent time after school and evenings in the fall practicing cheers, making decorations for the walls, the halls, and the football players' lockers, and sometimes baking cookies for the players to enjoy after the games. The source of many of these ideas is Miss Lydia Thometz, who can take pride in the cheerleading squad and their accomplishments in building spirit among the players and the student body.

The 1974 Varsity Football Cheerleaders were LeeAnn Johnson, Karen Brolsma and Sue Erickson, Jeanne Stacken, Sue Buesgens, Belinda Speak and Diane Wehle; not pictured is junior Donna Ostman.

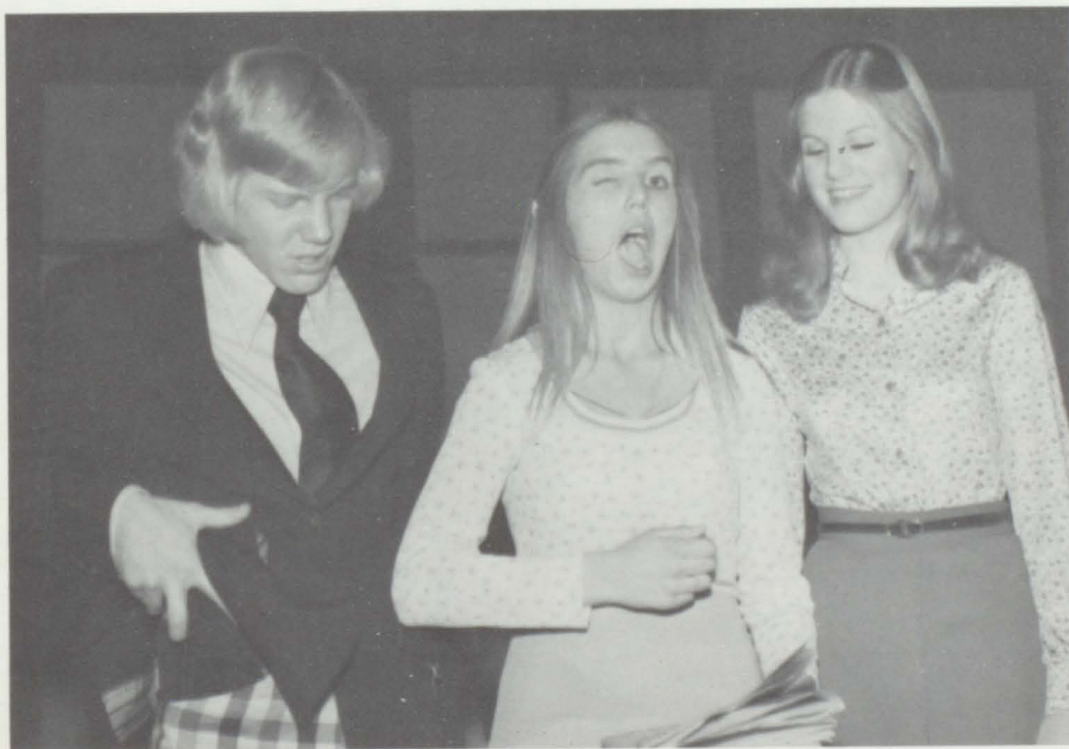

"HOW TO SUCCEED IN BUSINESS WITHOUT REALLY

STEVE & MARTHA STAR IN "SPARKLING" PRODUCTION

"How To Succeed . . ." popular Pulitzer Prize winning Broadway Musical, was presented by the Sr. High this fall. "It's a musical you could enjoy and the audience was very good. The leads did an outstanding job, the cast was sparkling . . . opening night everyone was nervous and uptight but rose above this to put on a good performance," said Mr. Danger. "How To Succeed . . ." is the story of how J. Pierrepont Finch tries to get ahead the easy way in the business world. Finch starts his career at the bottom of the World Wide Wicket Company and progressively works his way up. A smile here and the right word there and playing it the company way finds him Chairman of the Board. Mr. Ronald Larson, Musical Director, again coordinated the singing and choreography. Mr. James W. Thulien, Orchestra Director, selected twenty people to play in orchestra. "How to Succeed in Business Without Really Trying" continued the success of musicals presented at Waconia High School.

Winter Chorus And Band

ACTIVE MUSIC DEPT. ENJOYED BUSY SEASON

Two things are for certain: there will always be a Christmas and there is always something going on down in the music department. This year the Holidays just gave Mr. Larson and the Chorus another reason to celebrate. On December 12, the Mixed Chorus, Girls' and Boys' Ensembles, Girls' and Boys' Glee, Ninth Grade Girls' Ensemble and the Pop Group joined in a Christmas Concert. As the Pop Group performed there was a surprise visit by Santa Claus and Frosty the Snowman.

Clinics And Concerts

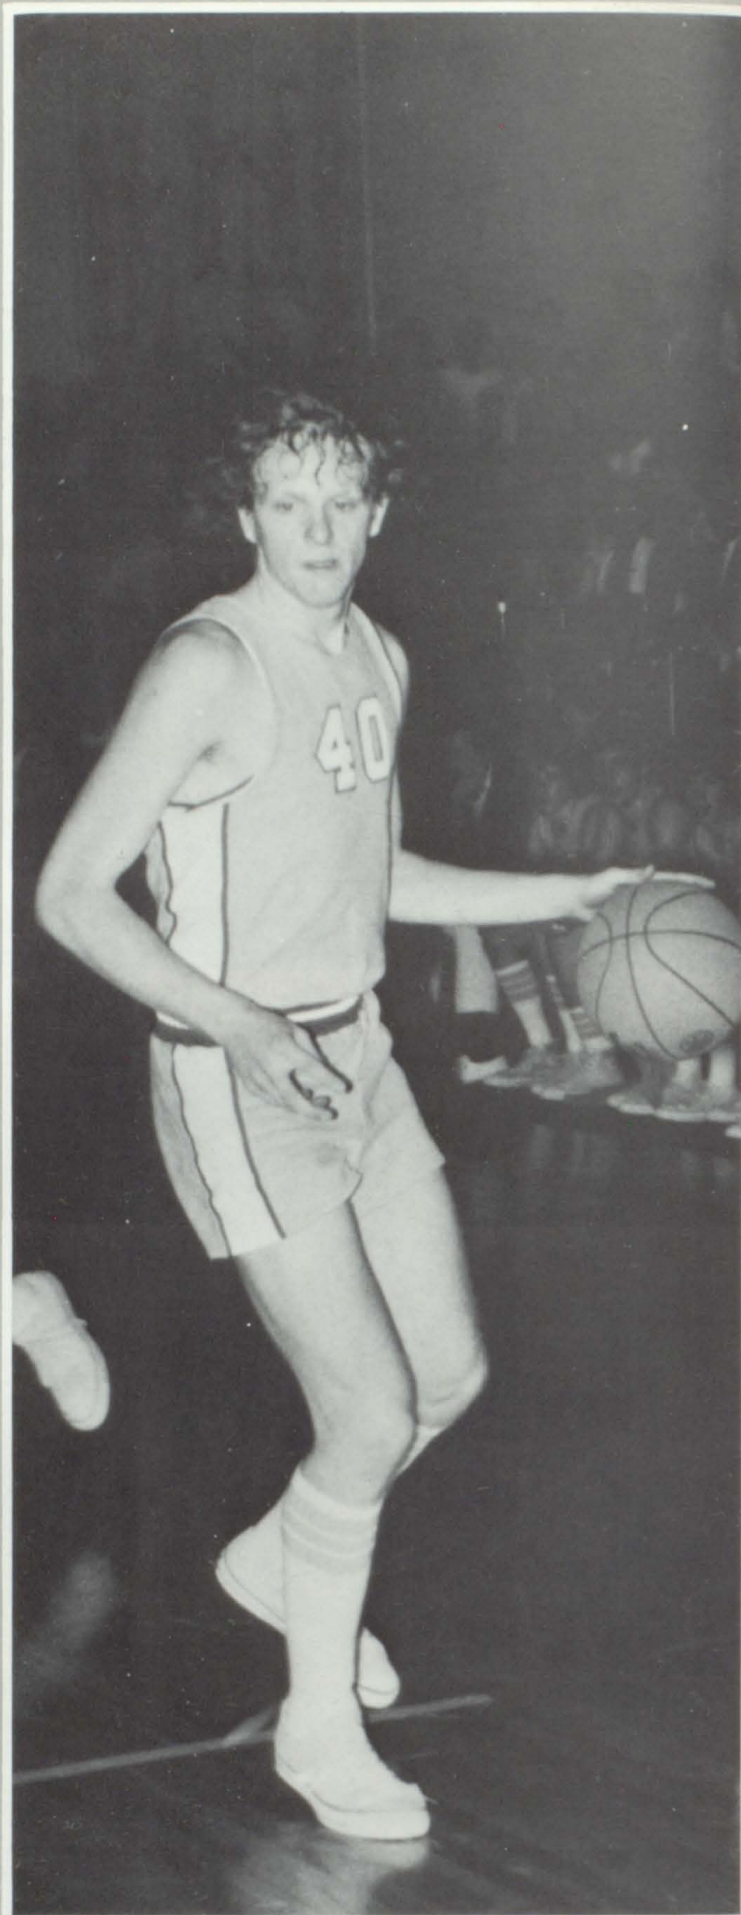

LEARNING FROM GUEST PROFESSIONALS

The Concert Band season was initiated with the Mid-Winter Concert on Jan. 30 at which the band first performed Dvorak's "New World Symphony". In February a Clinic Concert was held featuring the Concert Band and Concert Choir. This Concert was the culmination of intensive rehearsals with guest clinicians. Dr. John Zdechlik directed the Band in an original composition, "Chorale and Shaker Dance." The blizzards of 1975 didn't seem to handicap the W.H.S. Music Department.

Basketball

CHIEFS FINISH STRONG IN NEW SUBURBAN WEST

"We played two seasons in one this year" said Coach Luebke. In the first half of the season the Chiefs won one game, but in the last half they won 5, and "In the last eight ballgames there were no games in which we were not in the running." What accounted for the difference? A change of style, slowing down the ball, taking the percentage shot. "As long as we kept our heads, the necessary control was there." Joel Wyttenhove, leading scorer and rebounder, was selected to the Suburban West all-conference basketball team and to the District 18 all-tournament team. Barry Felt, best percentage shooter, received Suburban West all-conference team honorable mention. The seasons strong finish, including capture of the brown jug, generated some real enthusiasm for next year.

Girls' Basketball

FIRST YEAR OF GIRLS' VARSITY COMPETITION

Much interest was generated by Waconia's first interscholastic girls' basketball team. Deb Kopp and Punk Moonen co-captained the team, composed of only one senior, no juniors, fifteen sophomores, and fourteen freshmen, to a 4 win, 5 loss season. The only way to field a competitive varsity team with this youth and inexperience is with practice and more practice--Saturdays, during Christmas vacation, and for 1 1/2 to 2 hours daily. The benefit of all this practice was shown when the girls put together 4 solid quarters of basketball against a good Belle Plaine team. Coach Hayden characterized the attitude of her team as "Great-very cooperative." Perhaps when these freshmen and sophomores become juniors and seniors some of Waconia's losses will become victories.

Winter Cheerleaders

ACTIVE SQUADS WORK WITH BUSY SCHEDULES

"They are as much a part of the team as the team. They practice as long as the boys, and are the supporting part of the team," said Athletic Director Trnka in emphasizing the role of cheerleaders. Mrs. Peterson, who coached wrestling and 9th grade basketball cheerleaders, and Miss Thometz, who coached varsity, B-Squad, 7th and 8th grade cheerleaders, as well as Jr. High pom-pomers, devoted more hours, time and effort in building a fine Waconia cheerleading program. Practicing two or three times per week with a couple of games as well, the varsity cheerleaders put in as much time as the athletic teams.

Wrestling

STRUGGLING CHIEFS!

You are either on the top or on the bottom; that's what wrestling is all about. "I'm glad it's over," said Coach Blanshan reflecting on a season with only one win. And for the future? Two of the better Wrestlers were sophomores—Johnny Devins and Randy Refsland. There is potential, with more depth, and some young wrestlers with the ability to be champions. Senior Karl Bost proved that ability this year as the third District 18 Champion in the history of Waconia. The experience gained during this season may be what's needed to put the Chiefs back on the top.

SMOOTHLY, SO NICELY, RAISING THE ROOF!

"Another Opening, Another Show" was the opening song for "Broadway and all that Jazz", the March 20 & 21 concert by the Pop Group and the Jazz Ensemble. The varied concert featured soloists and ensembles, such as the girls and Steve doing "Hey Big Spender", and the guys singing "There is Nothing Like a Dame." The Pop Group sang and danced a tribute to Broadway plays ending with "Give My Regards to Broadway." "Sing, Sing, Sing, with a Swing", was the first chart by the Jazz Ensemble. They played charts ranging from "In the Mood", and "Hayburner", a Count Basie style, to "Beginnings" by Chicago. The Jazz Band also featured soloists, including a little keyboard improvisation by Mr. Thulien. The show ended with the Jazz Band playing "Rock around the Clock" while the Pop Group danced. This concert was really entertaining, featuring songs from 14 Broadway shows and ... All that Jazz!

The Winning Chiefs

GOLF TEAM SPORTS BEST VARSITY RECORD

Although they got off to a slow start losing the first three matches, the golf team got their game together winning the last 5 games to end their 2nd consecutive winning season with a 10-6 record for 4th place in the conference. The team placed 3rd in the conference tournament, and tied for 6th place in District 18. Dave Thom led the team being named to the All-Conference Team, the All-District Team, and with a strong finish in the Region 5 team only missing the state tournament by 2 strokes. CHIEFS STRIKE OUT IN SHORTENED SEASON

The Chiefs drowned in a rain shortened season which saw the first half of the conference schedule cancelled. Not playing these games robbed the Chiefs of the chance to develop their skills. This was compounded by what Coach Kevin McDonald called an "attitude problem." Todd Johnson, the Most Improved player, led the team in runs scored, hits, extra base hits, walks, and batting average. Joel Wyttenhove, who was All Conference, led the team in RBI's and stolen bases. Coach McDonald chose Dave Wollin, another senior leader, as the Most Dedicated player. Senior Karl Bost and junior Mark Olson added experience to the team, which had four sophomores, Dave Groschen, Tom Hedtke, Mark Neubauer, and Dan Schneewind on the starting lineup.

Sr. High Boys' Track

WITH A LITTLE HELP FROM YOUNGER FRIENDS

"We had a seven meet streak going but then we won one ..." reflected coach Illies. The track team again suffered from a lack of experience, with only one senior, John Buesgens, and one junior, Tom Sauter. The season wasn't quite as bleak as the record indicated: the team had fun and set some records. John Buesgens, 3 year letterman, broke the shotput record early in the season, and then set a new record at 49'2 1/4" later in the year. John earned many points for the team and finished the season 1st in sub-region and 3rd in conference competition. Tom Paul set a new record for the broadjump, jumping 20'4", and placed 2nd in conference competition. Tom, along with a lot of good sophomores, form the nucleus for next year's team.

"COLOR YOUR WORLD WITH THE FHA"

The theme for this year's F.H.A. was "Color your World." They did this through many activities, like attending the State F.H.A. Convention. Officers were President Cheryl Maurer, President-Elect Tammy Born, Secretary LeeAnn Johnson, Treasurer Rita Erhard, Parliamentarian Linda Moonen, Historian Patty Hilgers, Reporter Kathy Wickenhauser, and Song Leader Diane Wehle. Officers' and members' efforts "Colored the World" of everyone they met in various activities.

BANQUET CONCLUDES ACTIVE GARA YEAR

The GARA Banquet successfully ended another active year for girl's athletics. 1974-75 President Rita Erhard started the ceremonies with the introduction of officers, and then Karen Brolsma read the Thought for the Day. Vocal entertainment was provided by Jane Sorenson and Terri Messina, and by the girl's gymnastics team. The awards were given and the new officers were installed. New officers are President Mary Radde, Vice-President Paula Wagener, Secretary-Treasurer Sue Sorenson.

NEW TENNIS COURTS ADD TENNIS PROGRAM

"... all you need is a racket and a few tennis balls and you can go out and have a good time." In its first year, the Boys Tennis Team began to realize this. Despite rainy weather, the boys practiced hard to overcome their lack of experience. Senior Ted Bather, who was selected the Most Valuable player, was seeded 6th in the Conference. Mike J. Wagener, another senior, advanced the farthest in District competition. Mike Borka, a freshman, was selected the Most Improved player. Coach Gordon Winter says competing against schools that have had teams for years helped develop the Chiefs' skills, so he is really looking forward to next years team. ... a racket, a few tennis balls, more experience and everything is looking up for the Chiefs.

ORGANIZATION ACTIVE

Future Farmers Of America

**"I believe in leadership, in my own ability,
in the ability of progressive agriculturists"**

A belief in the future of farming, a belief that working on a good farm is pleasant as well as challenging ... that is what Future Farmers of America is all about. Mr. Vernon Bruhn, advisor of the Waconia Chapter of the Future Farmers has the distinction of having four students named State FFA Farmers. They are brothers: Leonard Hoen Jr., who received his State Degree in 1959, Daniel who received his State Degree in 1961, Roger who was State Farmer in 1968, and Richard who was named 1975 State FFA Farmer. The 1974-75 officers were President John Buesgens, Vice-President Richard Hoen, Secretary Leon Ditsch, Treasurer Mike Mueffels, Representative Mark Wickenhauser, and Sentinel Gary Swiers. Among the honors received at the FFA Convention were: Curtis Hedtke placed

6th in the Gold in Dairy Showmanship.

The Dairy Team placed in the Gold. Richard Hoen, Mark Wickenhauser, and John Buesgens all received gold ribbons. The Dairy Team of Curt Hedtke, James Klein, and Gary Swiers were Silver as a team and received Gold, Silver and Bronze ribbons respectively. The Poultry Team got a team Bronze ribbon. Tony Waldera received a Silver placing while Mark Klatt and Mark Gilster finished with Bronze placings. Richard Hoen, Mark and Mike Klatt, and James Klein were delegates both days. "I believe in the future of farming" says the FFA creed, with a faith born not of words but of deeds ..." and indeed 1974-75 was an active year for this practical organization.

Choral Groups

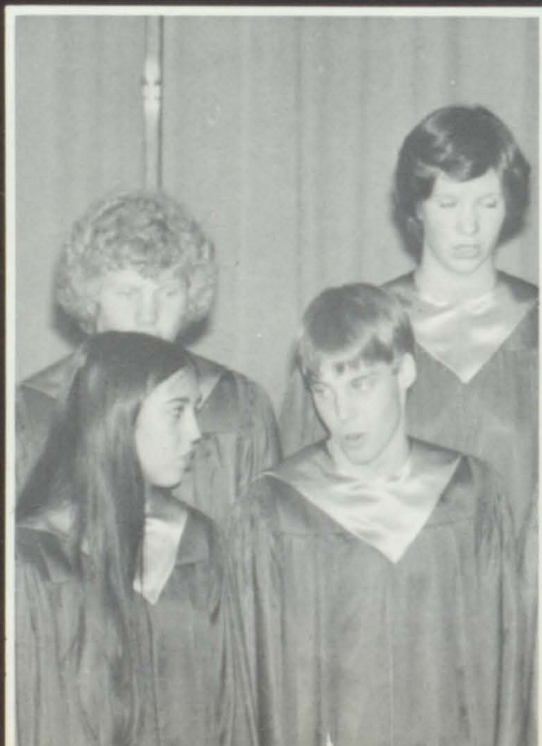

CHOIR ENJOYS AWARD WINNING PERFORMANCES

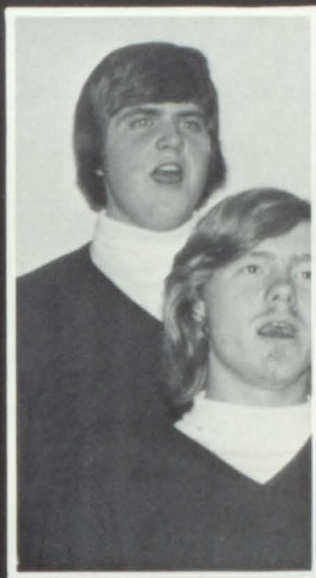

"We had a lot of talent, everyone worked hard, and this choir really worked well together," said director Ronald Larson. At State Contest the Mens' and Womens' Choruses each received superior ratings, and the Mixed Chorus was the only chorus in Region 5, to receive a superior rating. Madrigal, Girls' Triple Trio, Boys Quartet and Pop Group, received superior ratings, and the Pop Group was also chosen the outstanding Group at Mankato State College Music Festival. Soloists receiving superior ratings were:

Kris Peterson-soprano solo
Margie Mendiola-contralto solo
Dan Ciernia-tenor solo
Steve Gothmann-tenor solo
Bob Clarke-baritone solo
Winston Fahse-baritone solo
Mike Matson-baritone solo
Jim Russell-baritone solo

Other awards the members received include Mike Matson being chosen for the All-State Choir, and Dan Ciernia winning the National Choral Award. The outstanding recognition the choruses and soloists achieved really made this a record year in the vocal department.

Concert Band

SENIOR EXAMPLE SHOWS OTHERS WAY TO SUCCESS

Experience, talent, leadership, and a desire to perform well ... Mr. Thulien's veteran band enjoyed an eventful year giving concerts, making a record, and participating in District and State Solo and Ensemble Contests. Experience was one of the major assets of this group, which had 16 senior members. The band also had a lot of individual talent, as shown by the many star ratings at contests and the other distinctions members received, such as Mark Koppenberg and Mike Matson being named to the All-State Orchestra. But it was the ability to work together as a group which made this such a successful year. Bringing together 57 people from four different grades demanded leadership from within the group as well. Putting aside individual differences, playing every part well, whether it was a third or a first part, helped make this a first class band.

National Honor Society Induction Ceremony

TOP STUDENTS HONORED BY GRATEFUL FACULTY

25 new members were initiated into the National Honor Society in a candlelight ceremony held May 13. The ceremony began with Mr. Darrell Arman, advisor, giving a history of the National Honor Society, and explaining how members are chosen. President Nancy Siegle conducted the ceremony during which Donna Kelzer, Patty Kittock, Dave Wollin, and Barry Felt each lit a candle representing the qualities of Character, Leadership, Scholarship, and Service.

Conservation Club

STUDENTS CONCERNED ABOUT ENVIRONMENT

Conservation Club is a year long active organization directed by Mr. Westermann and Mr. Johnson. In order to raise money, the Conservation Club conducted their second annual popcorn sale. The club planned to use about \$75.00 from popcorn sales to buy ornamental and horticulture plants to be placed in the school's study area. This year's Arbor Week project involved distributing Blue Spruce Seedlings to anyone in school who could find a home for one.

"Sink Your Toes Into It!"

SING OUT, SING LOUD

You think breathing is just naturally easy? You are sure you breathe properly? All it takes is a work-out singing with the Chorus to convince you it just isn't so. A good Chorus doesn't just happen. Many hours of work and preparation go into the mature choral sound you hear. Mr. Larson starts the class with breathing exercises. "Breathe from the diaphragm. Inhale, more, more." About the time you think your lungs will burst he says, "Now you're ready to sing!" Now all you have to work on is phrasing, voice perfection, a good open tone, and staying in time. Still think Chorus is just standing and singing?

Well, You Got Three Minutes!

JUST PASSIN' THROUGH

That's right. The librarians know about kids who sneak through the library. One trick is called the Pencil Sharpening Method; another is the Question Method. ("Do you have the book Everything You Always Wanted To Know About Absent-Mindedness But Forgot To Ask?" When she says "no", just walk out the other door). In the "Encyclopedia Method," the person pretends he is looking for something but is unable to find it, so leaves. The last method is the Head Covering Method. The person covers his head and runs straight through the library. At the start of 2nd semester they gave up and just locked the other door.

SR. SOCIAL STUDIES TAKES ON NEW LOOK

In theory the idea behind Senior Social Class was that all students would receive the same information from the same source at the same time. This would eliminate much of the time spent repeating the same information 5 or 6 times daily by a teacher. The class was taught by Mr. Luebke, Mr. Mortenson, Mr. Gerding, and Mr. Winter. Each teacher would teach his specialty so students would get a wide variety of information. In reality there were some difficulties: there was the problem of dealing with a wide range of student's attitudes and abilities in one setting. Small groups tended to be used for testing purposes. Senior Social Studies proved to be a challenge for both students and teachers; yet it was a workable alternative.

Twenty Years of Service

MRS. LIEN — LONGTIME ACTIVE LEADER

1974-75, just another school year for most students and teachers was a special year for Mrs. Lois Lien. This was her 20th year of teaching at Waconia High School. Although Physical Education isn't many girls favorite class, Mrs. Lien helped make it more interesting by teaching a variety of recreational activities, including what she calls "lifetime sports", activities that students will enjoy even after they have graduated from high school. This year cross country skiing was added to the others: ice

skating, tennis, archery, and less strenuous ping pong, badminton, and shuffleboard. Another popular unit which Mrs. Lien also started was the camping unit. Girls learned about backpacking, setting up tents, planning meals, and cooking them over campfires and the best part of all -- eating them! In 1962 Mrs. Lien started the Girl's Athletic and Recreation Association, GARA, to provide more activities for girls in both competitive and noncompetitive sports. Every year she helps the GARA Board plan the year's calendar of activities, including skiing, canoeing, swimming, and gymnastics, giving girls opportunities to participate in both team and individual sports throughout the year. Mrs. Lien's dedication and extra effort, in both her phy. ed. classes and in GARA have kept them "alive" and interesting fun for all the girls involved.

Student Teacher From U Of MN

TEACHERS WERE ONCE STUDENTS AS WELL

Mr. Scott Hendricks, student teacher from the University of Minnesota, taught at Waconia High School this year. He taught 10th grade American History, and sociology and political science in Senior Social Class. He was also assistant football coach. Mr. Hendricks was very interested in the students at Waconia High School . . . He felt there was a need for more honest and open student to teacher relations. Talking about the football team he said, "Out there on the field you find out what kids are made of. The kids are made of a lot more than they are given credit for, they have an attitude of never giving up, of self pride."

Mr. Hendricks directing the efforts of the JV football team.

And It's About Time

FINALLY GOT THAT JUG

"Get that Jug!!" urged Waconia's cheerleaders at pepfests and games year after year. After a long dry spell the Chiefs recaptured the prized Jug, which has been a symbol of basketball superiority between Waconia and Chaska since 1937. Two consecutive wins (with scores of 55-48 and 42-41), put the Jug in Waconia's trophy case. The Senior dominated team enjoyed one highlite of their season in winning the Jug for the first time in 15 years.

WATCH THE THUMBS!

The class started with a student's question, "What's that little screen dealie called?" Mr. Lehtinen announced a quiz with a first question, "What IS that little screen dealie called?"! Industrial Arts are a "Hands on experience." You don't learn how to weld, or make wood projects, or learn about electronics just by reading books. The Senior High Industrial Arts teachers, Mr. Fredin, and Mr. Lehtinen, teach their classes knowing that students must work on their projects by themselves to know what it is all about. As Mr. Lehtinen says, "I'm happiest when there is noise in the shop."
