Nineteen senior lettermen led the struggle to a 13-12 win over Glen' season with losses to Chaska(36-11) and to Mound (40-0). FALL MUSICAL

pajama game
is fall feature

The Pajama Game based on the novel "7½ Cents" by **Richard Bissell**. Sid Sorokin has just been hired as foreman in a pajama factory. As a result he unknowingly runs into the midst of a dispute between the management and the girl workers. He also runs into the beautiful Babe and falls for her. Since Babe is head of the grievance committee and Sid is foreman, there is a clash between them. Gladys wears the key to the company's books around her neck with instructions from the boss that no one is to get it. So Sid makes a play for Gladys to get the key and look at the books. Sid solves the problems — the workers get the raise — he gets Babe and everyone is happy!

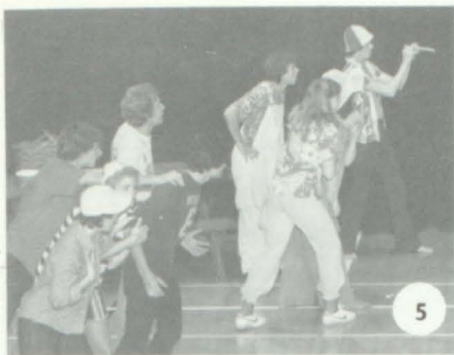

"Considering that the show started out against what seemed to be insurmountable odds and ended up being a success was credit to a very talented, mature and determined cast and crew." Credited **Mr. Larson**.

VOLLEYBALL

"Being able to smile through the entire season," was the most satisfying achievement for volleyball mentor **Mike Blassey**. Advanced skills and good depth were reasons for the success of the Chiefs, who finished the season with a 12-4 record, 2nd in the Conference, and 2nd in the District. The strength of the team was indicated by the variety of people who earned honors: **Sue Koppi** (Best Serving at 98%), **Robin Goetz** (Best Up at 78%), **Ronda Goetz** (Most Attack Points at 92%), and **Terri Honebrink** (Captain). In addition **Ronda** was named to the All-Conference Team. The attraction for food was the team weakness; it sometimes distracted the players from the game. A positive attitude made the team a success. Next year's team will be challenged to maintain the enthusiasm and the desire to improve that have characterized Waconia's recent Volleyball teams.

SPIRIT LEADERS pom-pom squad, fall cheerleaders

The 1979-80 Danceline had a long, very successful season. They participated in four Competitions- St. Paul Winter Carnival, University of Minnesota, Aquatennial, and the State Competition. The line brought home 2 trophies from these competitions-7th in State and 3rd place at Aquatennial. The line will be performing at various shopping malls during the Aquatennial celebration as a result of their placing in the competition. This is the first year the line has placed at Aquatennial since their first participation in 1977.

The danceline has a nine-month season which starts in mid-August. They entertain at half-time for football, basketball, and wrestling meets. First-year advisor Terry Grotkin was an asset to the group's accomplishments.

GIRLS' TENNIS

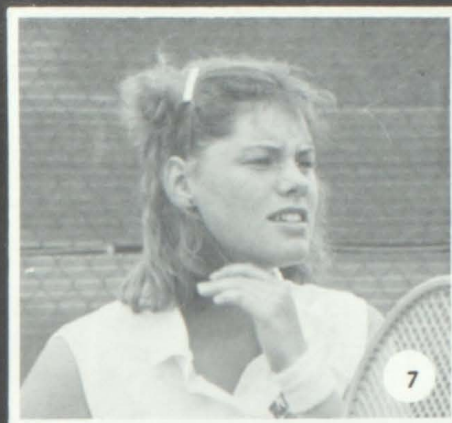

for better results, over
the net, please

Hard work and dedication gave the 1979 girl's tennis team an 11-5 season record — 5th in the Conference (this included 6 shut outs). At one point in the season, the Chiefs ran off six straight victories over 3 conference and 3 nonconference foes. With six returning letterwinners, the team won the LeCenter tournament and brought home the first team tennis trophy in the history of the high school. The strength of the 1979 season was experienced players returning from the 1978 season. **Jan Tewinkel** (#1 singles), **Michele Molnau** (#2 singles), and **Sarah Zimmer** (#3 singles), doubles partners **Lori Wollin** and **Karen Schlumpberger**, **Lisa Gatz** and **Joan Radde** all led the team to become one of Waconia's most successful girl's tennis teams. Next year's team will have to dedicate themselves to practicing every day and by taking in some tennis camps and clinics, they may be as good as, if not better than, this year's team.

"The quality of wrestling improved as the confidence and belief in ability and technique became more reinforced," concluded Coach **Klanch-nick** on his first season as Chiefs' mat mentor. The overall record showed 5-10, with a 2nd place finish at the Maple Lake Tournament, 5th at the Rockford Invitational, SWC, and District 17A. **Dan Vagts, Clark Mach-temes, Steve Rue, Paul Gregory,** and **Jaye Blanshan** all finished with winning records. **Jaye** copped a successful high school career with the Class "A" State Championship at 185 lbs. to accompany SWC and Region 5 honors. The school's first ever state mat champ stacked his pride, confidence, ability, and hours of hard work against Olivia's **Noel Nemitz** and came away with a dramatic 12-9 decision resulting from a 2-point takedown and 2-point nearfall as time expired.

GIRLS' BASKETBALL

chiefs looking for consistent play

It was a season of contrasts in which team play dominated the chiefs' game. **Terri Honebrink** led the team in scoring, while **Sue Koppi** led in free throws, and **Ronda Goetz** pulled down the most offensive and defensive rebounds. Excellent team defense held opponents to fewer than 30 points per game, but inconsistent offense was unable to get those few extra points in crucial situations. In one game against Chaska, the chiefs were held to a record low of only 18 points. In their very next game the team responded by netting a record 56 against Mound. The season's ups and downs were typified in the final 3 games: The Chiefs lost a lopsided game, won an even more lopsided game, and lost in yet another lopsided contest. Growth in the ability to play consistently well holds the future for next year's girls' basketball team.

BOYS' BASKETBALL

boys take third

Seniors dominated play in the 1979-80 season of the boy's basketball Chiefs. Their veteran experience showed in helping the team overcome some early and disappointing losses to a point when they stood at 11-4, poised at shooting for the conference title. However, the season finished on a frustrating note as the Chiefs slipped to a 12-9 record, still good enough for third in the Suburban West Conference and fourth in District 17A. Senior center **Gary Fitzke** led the team in total points scored (364), as well as in total offensive (92) and defensive rebounds (171). Senior forward **Jon Wyttenhove** was second in these same categories. Senior guards **Brad Leivermann** and **Stu Oftelie** issued 93 and 85 assists respectively, and **Stu** was third in scoring, while **Brad** was fifth. Junior forward **Bob Dressen** was fourth in scoring and third in rebounding.

FUTURE HOMEMAKERS

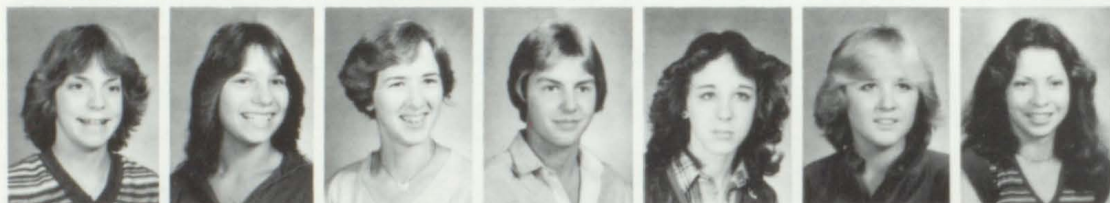

A club some people call it,
But we see it differently.
They see girls at meetings.
We see a family.
They see us baking cookies, cakes and pies,
We see our future changing before our eyes.
We feel a need to be ready when our chance
comes around
To test our wings a little bit and maybe leave
the ground.
We support each other and have fun along the
way,
Spending time together because of FHA.
Each one is of importance no one stands atop a
hill,
We're in this thing together each one comes
of her own will.
So as this year of FHA starts to come to an end,
We say hello to new girls and say goodbye to
friends.
And as they travel down the road perhaps to
different lands
May memories of FHA reach out and guide
their hands.

AMERICAN FIELD SERVICE

This year's chapter of Waconia's AFS Club has had a busy and successful season.

The club started the year by selling concessions at the football games. They also sold donuts during the third block morning break. The club is planning a spaghetti dinner for April 9th. They hope to make enough money to bring a new student to Waconia next year. In addition to the fund raisers, the club is hoping to have a group activity before the year is over.

Some things in life are really hard to understand
Like winter changing into Spring or the
Illness of a man

A man whose life was threatened
While teaching about the world
His head started aching and his
Body was quickly hurled
People started running girls started
To scream

And everything that happened still
Seems like a dream

The laughter disappeared and the
Tears soon began

All Because of the illness of one
Terrific man

He was well loved by all those who
Knew him

And we were all saddened by what
Happened to him

We all felt so helpless with nothing
To do

We prayed and we hoped that he
Would pull through

So I wrote down this poem and I
Hope that it helps

Cause it really expresses the feelings
I felt

I know God is watching from heaven
On high

And often I've asked him the real
Reason why

But God has the power sent from
Above

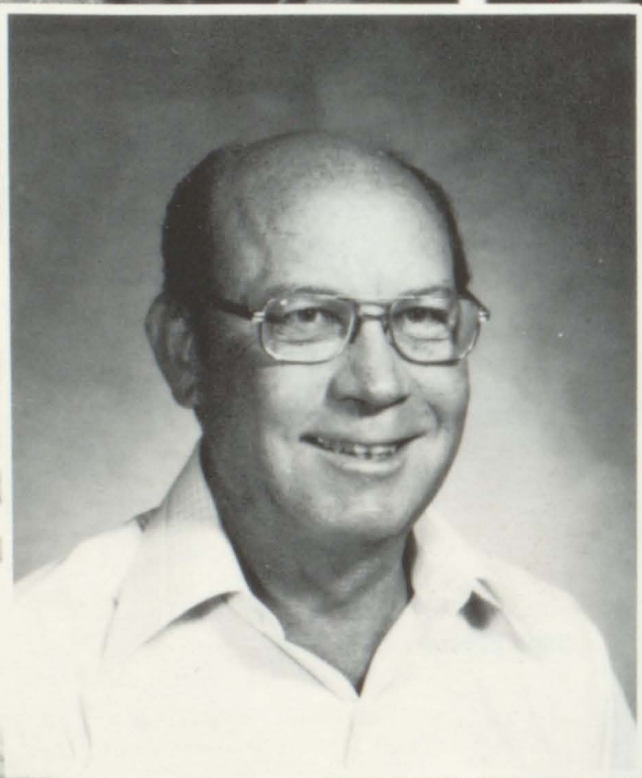

So all we can do is give him
Our love

And I know that God will do what
Is best

Cause he loves Nick as much as
The rest

So this is for Nick, his kids, and
His wife

We'll love you and help you through
Laughter and strife
