Waconia Area Athletics Stand-Out Volunteer Coach! Dan Vick

Dan Vick Coached Summer 2017 5th/6th grade boys baseball. Dan was a stand out among all the volunteer coaches my son has ever had. He did an exemplary job of making each child at all levels of expertise feel like an important member of the team. He was encouraging, excited, and incredibly respectful of all of the young men he was leading. My child has been involved in this level of baseball in Waconia for 5 years, and it was our favorite baseball season so far! We weren't the team with the best record, but we left every single game feeling like champs!! Another parent from this team wrote this about Dan "not many coaches teach their team to be tolerant of their teammates mistakes and use encouragement and positive peer pressure to help them along. So, thanks for being a class act and teaching great sportsmanship, perseverance, teamwork and accomplishment. These are lessons that will help our kids way more than any medal or trophy." I couldn't have said it better. Class act. Thank you, Community Ed, for the opportunity to recognize Dan publicly.

Dan has volunteered countless hours to our athletic programs. The athletes that play for Dan are continually learning the game and having fun! When you see Dan this spring and summer, thank him for all he does for the youth athletes in ISD #110. Way to go Dan!

Bait will be provided for each of the nights but you must bring your own age appropriate rod and reel, and bobber. Parents are welcome to stay and fish with their child but it is not necessary. Space is limited on the pier, so casting room is appreciated! If weather does not permit Fishing Club for the evening will be cancelled and a make-up date will be posted. Wakesurfing Camp on Lake Waconia – LakeWave Surf Co.

Did you know surfing is no longer just in the ocean? You can surf right here on Lake Waconia with LakeWave Surf Co. Wakesurfing is a new sport where a wave is created behind a boat. This wave is big enough to surf on, with no need for a rope where you are pulled by the boat. At our camps kids will learn to get up on the surf board (with a tow rope) and progress from being pulled by the boat to being pushed by the wave! Once kids are able to surf with no rope we can teach a variety of tricks such as; surfing on both waves (right and left), surfing from far back on the wave to the front, carving up and down, jumping off the wave, spinning 360, doing shove it's, and more. We allow surfers of all skill levels to work individually and at their own pace. Safety is our #1 priority. Life jackets will be required at all times by every participant. There will be 2 adults at each session, one driver and one teacher. Participants are required to be able to swim and feel comfortable in the water. Take full advantage of our great Minnesota summers and catch some waves! We believe life's better on the water. We wakesurf behind a premier 2014, 22 foot Axis wakesurfing boat. Please provide a cell phone number at the time of registration for text message updates in regards to weather related cancellations and other communication. Lakewave.com
