We have two preschool rooms.

- Purple Paws (3&4's)
- Gold Paws (4&5's)

Naps:

Nap time is an option for students, 12:00pm -1:15pm. Students can bring a comfort item, to use during nap time, cots are provided.

Just in case:

Please send extra clothes that are labeled in their backpack.

Food options:

The new federal program supports two meals for children registered for wildcat preschool. If your child is not attending wildcat preschool they will need to provide their own morning nut free snack and lunch or purchase a school lunch.

All children will need to provide their own nut free afternoon snack unless they are part of wildcat preschool and did not have a morning food option.

The staff will need to know by 9:00 am if your child needs a lunch. If you know your child will always have a school lunch you can also let the staff know so you don't need to do the daily notification. If you choose this option and you don't notify the staff by 9:00 that your child will not be attending a lunch will be ordered and fees will apply to accounts that pay for lunch. The menu is located on the Cafe110 website.

POLICIES

Non school days

We ask all families to sign up if attending on a non school day. This helps with staffing on those days. This sign up will be located with the sign in and out. **If it is not a contracted day you must still sign up.**

If you are not attending and it is one of your contracted days in order not to pay you will need to request a comp day.

Our first non-school day is September 1st. A google form was sent out to sign up your intentions for that day. If you did not sign up you were marked as not attending.

What to do when not attending

CONTACT your child's Kids' Company site if your child did not go to school or left school early.

If your child is ill or it is a planned absence you must contact your lead about them being gone. If you fail to do this you will be charged a search fee.

Contact Patty by payment form or email if you would like to apply a comp day to this absence.

School does not share information given from parents (notes about going on the bus or other information).

Checking id's

Please have your ID with you when picking up. Not all staff will be familiar with who picks up so they may ask for an ID. Staff may not ask for an ID when they are or become familiar with the person picking up. Please allow extra time at drop off and pick up

Make sure if someone else that is on your approved pick up list has their ID when picking up.

Severe Weather

If school is cancelled prior to 6:00 am we will be closed.

If school is delayed 2 hours prior to 6:00 am we will also open 2 hours late.

If school is released early we will be open. If we feel we need to close early you will be given notice via e-mail in regards to what time we will close.

You can always call the weather hotline 952-442-0640 for information.

On a late start or early release you must be contracted on that day in order to attend.

POLICIES

Sign in/out

When dropping off and picking up you must sign your child in and out. Failure to do this will cause a \$10.00 fee added to your account.

Please allow enough time to drop off and pick up your child.

Late pick up

If you are going to pick up past 6:15 pm please call the site to let the staff know. It is important that we let your child know because they will be anxious if you don't arrive as expected.
