Kids' Company Childcare & The Verge

2023 Summer Kids' Company

Do your kids ever complain they get bored in the summer? If so, Kids' Company may be your summer solution! The summer program is designed around the kids having fun through experiments, outside games, and cooking up all kinds of concoctions while not forgetting about reading. Each activity is geared to make sure each child no matter what age is having fun. Our summer site is at Bayview Elementary. Some of the summer activities the kids will enjoy include fishing, tennis, local parks, nature walks and outdoor games. The summer program hours are 6:00 am to 6:15 pm. Care will be offered from June 12th --August 16th. The Summer virtual parent meeting will be June 7th at 6:30 pm. Open house will be June 8th from 5pm-7pm at Bayview. Children who are eligible are 3 years olds who are toilet trained through children that finished 4th grade. We will be having the Summer Verge student hangout for students who have finished 5th -6th grade for all day fun!

2023-2024 School Year Kids' Company

School age child care offers a unique choice for parents/guardians who would like extended interactions and socialization for their children.

Who: Kindergarten - 5th grade

Location options: Southview, Bayview & Laketown Schools

Hours: 6:00am - 8:00am & 2:30pm - 6:15pm

Contract options: 3, 4, or 5 day a week

Preschool option: We provide care as a wrap around program to Wildcat Preschool and for families that are not attending Wildcat Preschool.

Who: 3-5 year olds that are toilet trained

Location options: Waconia Enrichment Center

Hours: 6:00 am - 6:15 pm

Contract options: 2,3,4,5 day a week either non school/school day.

The Verge | 2023 Summer Program

Calling all students that no longer need childcare but staying at home all day gets long and boring. The Verge is a program designed to support children's independence and choice. During the first week we get to know the students and what they would like their summer to look like. Once we know that we plan our activities based on this information. This is for students who have just completed 5th grade through students just completing 6th grade. This is a drop in program where families do not hold contracts. There is a registration fee and a supply fee. The daily rate is \$37.00. Kids need to sign up before the deadline of May 27th.

Registration Information for 2023 summer and 2023-24 school year: All registration is done online. Current families that hold a contract will receive a link to register starting February 21st - March 3rd.

Registration will open for everyone on March 21st. For more information about the Kids' Company program please contact: Jenny Merritt at 952-442-0618

Early Childhood Programs

Our mission is to strengthen families through education, and support all parents toward healthy growth and development of their children. Early Childhood Family Education offers classes, events and other programs designed by highly qualified teachers, specifically for families with young children.

A sliding fee scale is provided to make classes affordable for all families. No one will be denied participation for inability to pay.

Wildcat Summer Camp 4-5 years

This 4-week child-only class is designed for 4-5-year-old children. Children will explore a variety of learning centers and activities both indoors and outside at Wildcat Discovery Park. Each week's theme will provide opportunities to work on pre-academic skills while enjoying playing and exploring with friends. Snacks will be provided. Children should bring their own lunch and water bottle. **Ages as of June 1, 2023.** (Children should

be toilet trained to attend this class unless there is a special need involved.) Registration required

ECFE Bridge to Preschool

30 months-5 years

A unique blend of parent-child time and peer group interaction offering an introductory preschool experience.

Tuesday is Parent-Child Day- On this day parents attend with their children. The first hour is an opportunity for play, modeling interactions, and participating in your child's learning. In the second hour, we separate for a fun, educational parent discussion around supporting development. Sibling care is available for this day of the week.

Wednesday is Child Only Day- The second day each week is a drop off day where your child will interact with peers, led by a licensed early childhood teacher and an assistant. An introduction to basic skills, along with music, a story and gym/outdoor time are included each day. Children will follow a typical preschool schedule and learn basic routines and expectations in preparation for preschool. Children working towards toilet training are welcome to attend. Parents must send a nut free bag lunch to eat during class.

Children must be 30 months by June 1, 2023.

Waconia Junior Marching Band Camp

Waconia Junior Marching Band & Color Guard Camp

Do you love to play music and entertain audiences? Would you like to get a glimpse of what it's like to be in the champion-caliber WHS Marching Band? If your answer is "yes", then this is the camp for you! Come to Junior Marching Band Camp - you will spend 4 days in the sun with Waconia Marching Band members and staff. Prepare and perform an actual marching band show for family and friends. Learn musical and marching techniques, teamwork and the awesome benefits of working together! Students interested in Colorguard (think of the students in bright, colorful costumes spinning flags in a marching band!) are also able to participate!

Students should plan to bring their own instrument (Percussion instruments and Colorguard Equipment will be provided). When registering, list the instrument you play and your T-shirt size! Make sure you provide a current email address. To receive a camp T-shirt, you must register on time. The final performance will be on the Friday of camp at 12:30pm at WHS.

Drivers Education Behind the Wheel

Participants who have successfully completed classroom training sessions are eligible for 6 hours of behind the wheel training. This is an opportunity for students to receive additional driving experience with a certified driving instructor. To register for Behind the Wheel Training, the registration form should be submitted, in person, along with payment, parent signature and the letter verifying completion of the 30 hours of classroom instruction at the Community Ed office. The blue card will then be issued. Students will need this card in order to complete a computerized permit test at the DMV. The date of their 16th birthday, along with the date of registration, will determine their priority on the waiting list. We encourage students to register early. Please do not schedule your driver's test before you start your 6 hours of Behind the Wheel. If you are participating in an after school activity, please be aware that this limits your scheduling availability with the instructors.

At this time, Community Education is extremely behind in our Behind the Wheel lessons. Please note that if you sign up with us. There will be no guarantee that we will get your 6 hours of driving done before your 16th birthday. If you choose to sign up with us and you decide to cancel there will be a fee of \$25 that will be non-refundable.

Fee: \$348 -

Payment Options:

1. The entire fee paid at the time of registration.
2. \$174 at the time of registration and \$174 prior to your last Behind the Wheel lesson.

Drivers Education: Classroom Instruction VIRTUAL

Participants need to complete 30 hours of classroom training before being issued a permit. Students must be 14 years of age to take the classroom instruction. Upon successful completion of the required 30 hours of classroom training a "Purple Completion Slip" is issued. This Purple Completion Slip must be presented in order to receive a "Blue Card". The "Blue Card" allows the student to take the Minnesota State Permit test. There is no course credit given to students who take this class during the summer thru Community Education. Online registration for classroom only. Participants that take the classroom portion through Community Education do not need to take the Behind the Wheel portion with us.

Kidcreate Studio's award-winning art classes allow kids to explore art in an environment full of giggles and grins. Kids create fridge worthy masterpieces while learning art concepts and experimenting with different art materials. The curriculum is age appropriate and designed to inspire. Classes provide a fun, self-esteem building atmosphere full of "I did it" moments. Making a mess is the best with Kidcreate Studio! For more information about Kidcreate Studio visit www.kidcreatestudio.com.

Messes & Masterpieces Art Camp Kidcreate Studio

What's one thing all great artists have in common? They make a mess, of course! In this camp, we'll create stunning masterpieces while using some of the coolest, messiest art techniques ever. From Frida Kahlo, Picasso, Salvador Dali and more, each messy masterpiece will be inspired by a different master artist. Kids, you better roll up your sleeves, because no masterpiece was ever made without first making a mess! Please pack a nut free snack and drink for your child each day.

Beyond the Queens Gambit Half Day Chess Camp with Pat LaVone

Did you know that playing chess can help strengthen a student's memory, increase a child's decision making skills, and help instill an understanding of actions and consequences? Kids who play chess regularly see increases in math skills as well as reading comprehension. Plus – it's fun – kids love it! Pat has been teaching chess for over 20 years, including more than a dozen years in Waconia. Chess camp will consist of lectures/lessons, chess puzzles, practice games, tournament games, blitz chess (speed chess), chess variations and a look at chess history. Campers will learn basic tactics, strategies and concepts. Chess sets and other materials will be provided. There will also be time for some physical activity as well. Camp will conclude with a tournament and the awarding of trophies and medals.

COR Robotics has worked with dozens of FIRST Robotics Competition (FRC) teams to run many robotics camps around Minnesota. COR Robotics started in the summer of 2016 when founder Ryan Swanson partnered with four FRC teams to run seven camps throughout central Minnesota. In 2017, COR grew to eleven partner teams to run fifteen robotics camps. COR Robotics partners with SubZero Robotics (FRC team 5690) out of Esko, MN and CIS (FRC team 4607) out of Becker, MN. SubZero has generously enabled COR to run robotics camps by loaning their Lego Mindstorm kits for COR to use during the summer months. CIS, similarly, has loaned COR Robotics their Tetrix Robotics kits to use during the summer months. www.corrobotics.com

Eureka Engineering Camp COR Robotics

Eureka Engineering introduces students to the core skills of robotics and STEM through engaging, hands-on learning opportunities. Student groups will work with Lego Mindstorm kits, which include both electrical and mechanical components. The small groups will be mentored by experienced and passionate instructors. Parents are welcome to watch their child's robotic creations come to life in exciting and competitive challenges including drag racing, fighting robots and more!

Tech Tac Toe Technological literacy is becoming as important as knowing how to read and write. At Tech Tac Toe it is our mission to spread this knowledge through high-quality, kid-friendly classes that motivate and get young minds excited about technology, computers and science. Our classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life-skills such as problem solving, logic, and creativity. Programs are presented in a kid-friendly way and tailored to their abilities. We make great use of video game programming and other fun computer-based programs, as this allows children to learn the way they learn best: playing!

Youth Recreation

Skyhawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life, such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active, healthy lifestyle. Our patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Since 1979 Skyhawks has taught over two million boys and girls life lessons through sports. Please view our website at www.skyhawks.com for further information.

Flag Football Skyhawks

Skyhawks Flag Football is the perfect program for young athletes who want a complete introduction to "America's Game" or for those who simply want to brush up on their skills in preparation for league play. Through our "skill of the day" activities, campers will learn skills on both sides of the ball including the core components of passing, catching, and de-flagging or defensive positioning – all presented in a fun and positive environment. Skyhawks Flag Football is recommended for beginning to intermediate athletes. The week ends with the Skyhawks Super Bowl, giving participants a chance to showcase their skills on the gridiron!

Soccer Camp Skyhawks

Skyhawks was founded as a soccer club in 1979. Thirty years later, we are still the number one choice for parents looking to introduce their children to the fundamentals of the world's most popular sport. Using our progressional curriculum, our sport-specific staff will ensure your young athlete will gain the technical skills and sport knowledge required for their next step into soccer. Designed for beginner and intermediate players, this camp focuses on dribbling, passing, shooting, and ball control. By the end of the camp your child will have learned new life skills such as teamwork and sportsmanship, made new friends, and improved his or her sport skills.

Basketball Camp Skyhawks

This fun, skill-intensive program is designed with the beginning to intermediate player in mind. Using our progressive curriculum and focusing on the whole player, we teach your child the skills needed both on and off the court to be a better athlete. Our basketball staff will focus on respect, teamwork, and responsibility, starting each day with a "skill of the day" and progressing into drills and games. The result is an unforgettable camp experience for your young athlete. After a week of passing, shooting, dribbling, and rebounding, your child will show you why this is one of our most popular programs.

Beginning Golf Camp Skyhawks

Skyhawks Golf focuses on building the confidence of young athletes by teaching proper technique to refine essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG utilizes a set of equipment designed for beginning golfers, including oversized plastic club heads and "mini tennis balls" to help build confidence and to have fun. Developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs--all equipment is provided.

MN Sword Play - Fencing

Whatever you are looking for in the sport of fencing there is something for everyone! Fencing is a vigorous sport that develops stamina, quick reactions, speed, accuracy of movement and excellent coordination. More than a game fencing requires a mental attitude of self-discipline involving total manipulation of mind and body in perfect harmony. It utilizes natural body movement to create simple and effective self-protection techniques with the sword. All participants are encouraged to have fun no matter what their ability. Attacking, defense, timing and intense tactics are all integrated into this beginning class. Whether you're fencing for a good work out, or gaining points for the Olympics, fencing is fun for the whole family. We provide everything needed to fence (mask, jacket, glove, and weapon). Fencers need only to come dressed comfortably (for freedom of movement) including long sweat pants and running shoes. Check us out here: minnesotaswordplay.com

Boys Lacrosse Pre-season Skills & Drills Camp

Coach Jeff Platzkeis, assisted by Waconia Varsity Head Coach Scott Jarmus, is offering a boys lacrosse camp for ages U8 to U14. This camp will consist of high intensity skills and drills for athletes to continue their growth in lacrosse. 1st year players are welcome and encouraged to sign up for camp. Community Ed will provide a stick for athletes that want to try lacrosse for the first time. A lacrosse/hockey helmet is highly recommended for first time players. Goalie gear will also be provided for any athletes that want to try goalie. Help us grow the sport of lacrosse right here in Waconia. This is a great opportunity for your athlete to learn and excel in the sport of boys lacrosse. Recommended Equipment; helmet (Lacrosse/Hockey)gloves, elbow pads, shoulder pads, lacrosse stick, athletic cup & cleats. **If you don't have all the equipment please ask around because families often have extras.**

Youth Fishing Night on Lake Waconia

Prepare your fishing pole and join us on Lake Waconia! You'll learn to bait your hook, cast your line and have lots of fun catchin' fish with your friends! We will explore different baits and techniques to help us catch fish. For the new and the experienced anglers... Even if you're already familiar with fishing, take it to the next step and see who can land the biggest fish between you and your friends. We'll meet down at the Cedar Pointe Park Dock on Lake Waconia (near the tennis courts). All fishing will be from the safety of the dock and all fish will be released back into the lake. Bait will be provided, however, you must bring your own age appropriate rod and reel, and bobber. Parents are welcome to stay and assist their child but it is not necessary. Space is limited on the pier, so casting room is appreciated!

Kevin Lynch Basketball Camp

This camp is run by former NBA and Gopher basketball player Kevin Lynch who has been organizing and running summer basketball camps for over 21 years! Kevin's goal in running a great camp is simple: learn, and have a lot of fun! All skills will be focused upon, including shooting/ shooting mechanics, ball handling, passing, rebounding, one on one moves, position specific skills, free throws, shot fakes, amongst others. Also, he'll be teaching basic team instruction such as defense, pick n' roll and give n' go. Every camper will be placed on a team, and 5 on 5 games will be played on a daily basis – which allows each player to work on the skills that are being taught. Kevin runs an organized, competitive and challenging camp. And remember - the skills that he learned going to summer basketball camps as a kid, helped him get to the highest level of basketball in the world. So come join the FUN! Please bring a bag lunch and snack with you each day. *PLEASE NOTE, this MS gym is NOT airconditioned and pending summer weather conditions the gym can become hot.

Wildcat Tennis Camps

Participants should bring their own age appropriate tennis racket and water bottle with them each day. Sign up for one or both sessions if you choose. We will focus on the basics of tennis, groundstrokes, volleys, overheads, serves, scoring, match play, as well as having fun interactive and competitive games. There will be coaches from the boys and girls High school tennis teams as coaches for the younger grades to ensure more individual learning/practice. If weather does not permit, the back-up location will be the WHS Field House (Safari) Gym. Please be sure of the session you register for as there are no refunds/credits/transfers without 6 business days notice to the camp start date. Grade levels are based on the 2023-2024 school year.

Please note: 6th-12th graders will be grouped by experience so please register for the class ID that might best group your participant. There will be an opportunity to shift within the time slot if there is a need. Advanced players should have match experience with either the high school team or USTA tournaments.

Adult Trips

Incident at Our Lady of Perpetual Help Trip

Tim Stolz laughed out loud when he read the script! Our destination is the Ives Auditorium in Bloomington where we'll begin with an included lunch of creamy chicken breast, served with roasted red potatoes, glazed carrots, coleslaw, dinner rolls, assorted dessert - chef's choice, coffee, decaffeinated coffee and hot tea. (Special dietary meals available by request ahead of time.) Then we'll head to the theatre for the Incident at Our Lady of Perpetual Help. Take a trip back to 1973 with the Irish Catholic O'Shea family in this hilarious and moving new memory play which introduces us to 19 year old Linda, as she recalls a week she'll never forget. When Linda's mother instructs her to tell her sister about the birds and the bees, things quickly snowball into a potential crisis after the conversation is overheard by the parish priest. Secrets are unintentionally revealed, and a quick-witted group of women realize what really matters as they work to protect their family reputation and each other.

Ronnie McDowell Trip

If you're into some classic country and 50's/60's music, you may want to join us! We'll begin with an included buffet lunch at the Coyote Moon Grille and then head for the St. Cloud Paramount Theatre for Ronnie McDowell. Ronnie McDowell has an amazing string of hits that he has amassed over the years! Following the death of Elvis Presley in 1977, Ronnie came out of nowhere to dazzle the world with his heartfelt tribute "The King Is Gone". To date this song has sold over 5 million copies. All of a sudden the young Vietnam veteran from Portland, Tennessee was a star and quickly scored a second hit: I Love You, I Love You, I Love You. Moving to Epic Records he charted a string of Hit Records: Older Women; You're Gonna Ruin My Bad Reputation; Watchin' Girls Go By; Personally, You Made a Wanted Man of Me; All Tied Up, and In a New York Minute. In 1986 Ronnie had a Top Ten Hit with a remake of the Conway Twitty Hit, "It's Only Make Believe". Another Top 10 hit was Ronnie's version of "Unchained Melody". Check out his music on the internet.

For Your Information

Is your family included on the School District Census?

Has there been a birth in your family? Have you recently moved into your neighborhood? Is there a new family in your neighborhood? District 110 wants all families to know about the programs and activities it has to offer. Being on the School District Census insures that you will automatically receive information about Early Childhood Screening, Preschool, Kindergarten and all of the opportunities offered by Community Education. To be added to the census, please call the School District Census office at 952-442-0607. Thank you

Volunteering

Volunteers are needed throughout the year for several Waconia Community Education camps, classes, events and activities. Email Holly at hwortz@isd110.org to be put on the volunteer email list. When we are in need of volunteers for something specific you will receive a short note asking if you would be willing to volunteer. Typically our volunteers are aged from Grade 5 - adult. This is perfect if you are a Waconia High School National Honor Society member! We hope that you'll take advantage of these opportunities to help the community. Please contact the Community Education office at 952.442.0610 or Holly Wortz at 952.442.0612 if you are interested in contributing your time and effort. Thank you.
