

## **PUBLIC NOTICE**

Independent School District No. 110 gives notice to parents of students currently in attendance in the District, and eligible students currently in attendance in the District, of their rights regarding pupil records.

1. Parents and eligible students are hereby informed that they have the following rights:
  - a. That a parent or eligible student has a right to inspect and review the student's education records within 45 days after the day the request for access is received by the school district. A parent or eligible student should submit to the school district a written request to inspect education records which identify as precisely as possible the record or records he or she wishes to inspect. The parent or eligible student will be notified of the time and place where the records may be inspected;
  - b. That the parent or eligible student has a right to seek amendment of the student's education records to ensure that those records are not inaccurate, misleading, or otherwise in violation of the student's privacy rights. A parent or eligible student may ask the school district to amend a record that they believe is inaccurate or misleading. The request shall be in writing, identify the item the parent or eligible student believes to be inaccurate, misleading, or in violation of the privacy rights of the student, shall state the reason for this belief, and shall specify the correction the parent or eligible student wishes the school district to make. The request shall be signed by the parent or eligible student. If the school district decides not to amend the record as requested by the parent or eligible student, the school district will notify the parent or eligible student of the decision and advise him or her of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing;
  - c. That the parent or eligible student has a right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that federal and state law and the regulations promulgated thereunder authorize disclosures without consent;
  - d. That the school district may disclose education records to other school officials within the school district if the school district has determined they have legitimate educational interests.   - e. That the school district forwards education records on request to a school or post-secondary educational institution in which a student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student's enrollment, including information about disciplinary action taken

as a result of any incident in which the student possessed or used a dangerous weapon, suspension and expulsion information pursuant to 20 U.S.C. § 7917, part of the federal Every Student Succeeds Act *[insert the following bracketed phrase if the school district has a policy regarding Staff Notification of Violent Behavior by Students]* [and data regarding a student's history of violent behavior,] and any disposition order which adjudicates the student as delinquent for committing an illegal act on school district property and certain other illegal acts;
