

Upon completion of French 2, WHS students will be able to:

- Recognize and distinguish between the present and the two past tense forms of verbs.
- Read and show comprehension of various leveled texts in the present and past.
- Retell or rewrite a narrative in third or first person in the past tense without visual and vocabulary cues.
- Talk about things that they do on a regular basis.
- Use various past tenses to write and talk about common activities they've done.
- Recognize and distinguish between the recipients of verbs' actions.
- Recognize and distinguish between statements in the basic future tense.
- Write a 5 paragraph reflection essay describing an individual cultural investigation.
- Speak and present for 5 minutes in French about a French Artist and his works.
- Describe some aspects unique to the culture of French people living in France.
- Describe some aspects unique to French speaking West Africans.
