

Name of Activity: Knowledge Bowl

Advisor: Stephanie Kappel

Description of activity: Jeopardy game show style competition in which students showcase their knowledge in a variety of subjects: science, math, literature, geography, history, arts, etc.

Where to go for more information: The best source would be to talk with Stephanie Kappel. There is a Schoology group that members join.

Length of season: The season begins in mid October with competitions mostly in January. The season ends mid-April with the State Meet.

Meeting/Practice times: Tuesdays and Thursday 3-4/4:30PM (Students are also encouraged to ramp up their reading outside of practice.) Also, as we near competitions, practice time will increase—probably 4 days a week.

Meeting/Practice sites: Mrs. Kappel's classroom A207

Competitions/Performances: We are guaranteed THREE meets in the month of January and early February. Competitions take place either Tuesdays or Thursday from 3:15PM to 8:00PM. Region Competition takes place in March, and State Competition in April.

Eligibility requirements: All students, grades 9-12, are eligible.

Average number of members: 1 to 2 teams that consist of 4-5 people each

Costs and/or needed equipment: Registration Fee - \$80

Fundraising/Service Activities: No Fundraising activities are planned for this year.

Awards criteria and type of awards: As of right now, lettering criteria and awards have not been set up for this year.
