

ISD #110 Community Education Rainbow Preschool Reduced Fee Application

The Community Education Department has a goal for all residents to participate in a Community Educational sponsored program if they so desire. This program allows District #110 residents a resource that allows them to participate. Community Education has a form that can be filled out which will determine if families qualify for the Reduced Fee. The information provided to us will determine your qualifications as to the percentage of reduction in tuition. Forms can be found on our website located at www.waconiacommunityed.org or by calling Community Education at 952-442-0610.
