Drivers Education: Classroom Instruction

This summer Community Education will be offering the classroom instruction needed for Drivers Education. Participants need to complete 30 hours of classroom training before being issued a permit. Students must be 14 years of age to take the classroom instruction. Upon successful completion of the required 30 hours of classroom training a "Purple Completion Slip" is issued. This Purple Completion Slip must be presented in order to receive a "Blue Card". The "Blue Card" allows the student to take the Minnesota State Permit test. There is no course credit given to students who take this class during the summer thru Community Education. Online registration for classroom only.

Pat Foley Register by: June 1

Minimum: 12/Maximum: 35

Classroom Instruction Only:

\$110 (paid in full at time of registration)

Behind the Wheel Fee: \$338

(full or half payment due at the time of registration)

Combo Fee: \$398, Save \$50

The combo fee is for only people that have taken the summer classroom class. If participants register for both the classroom and the behind the wheel portion at the same time you can save \$50.

Drivers Education: Behind the Wheel

Participants who have successfully completed classroom training sessions and have been issued a permit, are eligible for 6 hours of behind the wheel training. To register for behind the wheel training, the registration form should be submitted, in person, along with payment and the letter verifying completion of the 30 hours of classroom instruction to the CE office. The blue card will then be issued. Students need this card in order to complete a computerized permit test at the DMV. The date of their 16th birthday, along with the date of registration, will determine their priority on the waiting list. Please do not schedule your driver's test before you start your 6 hours of behind the wheel. If you are in an after school activity, please be aware that this limits your scheduling availability with the instructors.

Fee: \$338

Fee Payment Options:

1. The entire fee paid at the time of registration.
2. \$169 at the time of registration and \$169 prior to your last behind the wheel lesson.

5th Grade Beginning Band Startup Camp ☀️

5th grade (2020-2021) bands will have their annual beginning start up camp. This 3-day camp is the beginning of instruction for 5th grade band students - ALL first year band students should attend this camp. Students will receive a one hour class in like-instrument groups each day for 3 days. District 110 band directors will teach each class, assisted by WHS band students. Students will learn how to assemble and care for their instruments, correctly hold the instrument, produce a characteristic sound & play several notes. At the end of the camp, students will be able to take their instruments home and practice to be ready for band when school starts. *PLEASE NOTE: The class number will depend on the instrument chosen, so please wait to register until after 4th graders have tried instruments and made their choices (in May). If you have questions about the Beginning Band Startup Camp, please email Mrs. Sauer: lsauer@isd110.org

Homeward Bound Theatre Company is a professional performing arts organization, committed to providing theatrical productions, drama sketches, and workshops for youth through adults. The focus of HBTC is a vision of bringing a performing arts experience that encourages family values and positive relationships. Come on board for a journey full of adventure, fun and growth through the performing arts! <http://homewardboundtheatre.org/>

Magic Juggling Balloons Camp

Participants will have a hands on experience with magic, juggling, balloon sculpting and slap-stick comedy illusion. **MAGIC:** Amaze your family and friends when you share with them illusionary tricks with cards, coins, and the vanishing and reappearing of any small object! **JUGGLING:** Come discover the secrets of multi-object manipulation in this beginning juggling class. Throw things! Catch things! Learn to manipulate objects in the air, on the body and on the ground. Students will discover the right-brain, left-brain shift that occurs when practicing juggling one, two, three or more objects. **BALLOON SCULPTING:** learn how to twist and turn balloons into hats, animals and other works of art. By taking this class, you are also developing life skills that will benefit you forever. Learning and performing will not only build confidence and self-esteem, but will also help your ability to speak in front of a large audience. **THAT'S MAGIC!** Satisfaction guaranteed or all laughter returned! Please bring a water bottle and nut-free snack daily.

Tech Academy by Computer Explorers'

Research-proven technology and science summer day computer camps for kids and teens ages 4-15. We believe learning should be fun, innovative, challenging and hands-on. We host over 300 camps throughout Minnesota and Wisconsin. We offer 30 different classes/camps in Minecraft, Video Game Design, Programming, Engineering, Robotics, Computers and Film Making.

Advanced Minecraft: Command Block

Get ready to wire up your Minecraft worlds with command blocks and Redstone! Even if you're a seasoned Minecraft pro, there's plenty for you to learn. From basic traps to powered machines, Redstone offers Minecraft players a whole new range of opportunities to create amazing things. Minecraft's command block is a pseudo-programming language that consists of logic and execution written in text. We'll learn to spawn creatures, teleport all over your world, and make multiplayer games.

Extreme Robotics: EV3 Battlebots

Combining the versatility of the LEGO building system and the Mindstorms EV3 (the most sophisticated microcomputer brick ever made by LEGO), this camp will energize and excite students. Working each day in teams, students will construct fun LEGO models, experiment with programs, and compete in robotic challenges. Robot building, block programming, and teamwork will be part of each day's activities. Final challenges will be centered around hitting targets and a sumo battle. Please bring a drink and snack daily.

Extreme Coding: Artificial Intelligence & Augmented Reality

New Class! Dive into more advanced computer science topics that include artificial intelligence, and augmented reality coding. Computers are getting smarter every day due to advances in machine learning algorithms. Coders can teach computers to recognize faces, play games, and find patterns. In our class, we will create a chatbot, Rock, Paper, Scissors game, and more. We'll then expand our knowledge and code an augmented reality game.

Intro to Coding: Platform Games ☀️

Create YOUR OWN VIDEO GAME! New projects! Students as young as five years old can create their platform video games in this cool class! Add challenges and levels of difficulty, then share your game by email or post it on the web to challenge family and friends. Now we can practice math, logic, and programming and put their video game talents to work! The game will be in an animated Flash format, viewable in most internet browsers. Bring a jump drive to the last day of class or files can be emailed to parents. Bring a USB drive, snacks and drink each day.

Junior Engineering and Building ☀️

If you have a learner who likes building things and figuring out how things work, he/she will love this class. Join us as we explore, investigate, and solve problems while learning about the building blocks of engineering: simple machines. Students working in pairs will enjoy hands-on activities using LEGO® Gears and special LEGO® Technic® engineering components that incorporate math, science, and creativity. Students will work through building models that demonstrate mechanical and physical engineering. They will then use what they learned to solve challenges. Learning projects may include mini mechanical concept models, a moving dragon, scale, clown, crane, car, fan, merry-go-round, and more. Please bring a drink and snack daily.

Robotics: Star Wars Droid Builder ☀️

Bring Star Wars-inspired inventions to life with the Star Wars LEGO® Mindstorms Robotics Developer Kit. We will start with a simple droid mechanism, then move on to more ambitious droids that move and walk. This modular building system allows students to build using subassemblies, making it easy to create and customize the robotic droids. All these great robotic inventions are powered by the Micro Scout, the smallest LEGO® micro-computer, equipped with a light sensor and six robotic programs to control our droid creations. Possible models include Droid Vehicle, Trainer Droids, our version of R2-D2, and more! We will experiment with robotic programs that avoid light, seek light, are controlled by lights, act as alarms, and more. Please bring a drink and snack daily.

Washington D.C. Trip

MEA Break - October 15, 16, 17 & 18, 2020

If you are interested in our country's history, this is the trip for you! Join us on a fabulous tour of our Nation's Capital. Some of the sights we will visit are: The Lincoln, Washington and Jefferson Memorials, Mount Vernon, The National Archives, Ford's Theater/Peterson House, a tour of the U.S. Capitol Building, The White House, Arlington National Cemetery and few of the Smithsonian Museums. We will also see a show at the Kennedy Center and a trip with a dinner cruise on the Potomac! This opportunity is open to all middle and high school students within District 110. For more information, please contact Michele Melius (mmelius@isd110.org) or Tiffany Nelson (tnelson@isd110.org). There will be an informational meeting on Wednesday, March 18 at 5:15 pm in Ms. Melius's room, Waconia Middle School Room G207 and registration will open at this time. If you can't make the meeting and would still like to go on the trip. You can register in the Community Education office beginning on Thursday, March 19. There is a \$50 non-refundable fee due at the time of registration to secure your spot.

Waconia Community Education & Recreation Summer Camps Sunshine Scholarship ☀️

Waconia Community Education & Recreation and our amazing instructors, coaches and organizations will be offering limited summer camps scholarships to those IN NEED! Camps with available scholarships have the sunshine icon next to them in this brochure. For the designated camps an application is required to be eligible.

Applications should be filled out at Waconia Community Education or printed off our website and turned in as soon as possible but no later than May 1, 2020. Applications will be reviewed in early May and you will be contacted soon after if accepted. Please apply early. If your application is approved, there is a \$10 non-refundable/non-transferable registration fee to participate in the desired camp. (If the camp is cancelled you would receive a \$10 refund.) ISD #110 students/residents may be eligible for ONE (1) "Sunshine Scholarship" per child per family/household for a June-August 2019 session program.

Scholarships are available if you have financial need, immediate circumstances that deserve consideration or qualify for free and reduced lunches through ISD #110. There is no cash refund value and camps are subject to cancellation. Other restrictions may apply. Please call Holly at 952.442.0612 if you have further questions.

TechTacToe - Be Tech Smart Camps

Technological literacy is becoming as important as knowing how to read and write. At Tech Tac Toe it is our mission to spread this knowledge through high quality, kid friendly classes that motivate and get young minds excited about technology, computers and science. Our classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life-skills such as problem solving, logic, and creativity. Programs are presented in a kid friendly way and tailored to their abilities. We make great use of video game programming and other fun computer-based programs, as this allows children to learn the way they learn best: playing! TechTacToe.org

# Youth Enrichment

**Youth Enrichment League** was co-founded by Chet and Lisa Gunhus to bring the highest quality enrichment programs and the most dynamic instructors to school campuses. We believe that students have certain gifts they are given and that enrichment may serve as a channel for students to nurture those gifts. We bring with us over a two decades of combined experience teaching enrichment in both public and private schools throughout the Twin Cities.

## {YEL!} Junior Coding & Video Games with Scratch® ☀️

STEM Video Game Enrichment for the 21st Century learner. Each {YEL!} Coding class follows four basic components: Teach It!... Students learn different video game and storytelling design techniques (movement blocks, control blocks, basic animation, adding scores, etc.) Code It!... Students use Scratch® to code their own story and video games. Explore It!... Students can write their own story and video game code, experiment with it and test new options. Our collaborative learning environment encourages students to learn from each other. Keep It!... Students keep their stories and video games online with Scratch® and can access it and expand upon it at anytime. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}. Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices. Your child will receive a Scratch user name and password so they can access their projects from any computer at anytime.

## Kevin Lynch Basketball Camp

This camp is run by former NBA and Gopher basketball player Kevin Lynch who has been organizing and running summer basketball camps for over 20 years! Kevin's goal in running a great camp is simple: learn, and have a lot of fun! All skills will be focused upon, including shooting/shooting mechanics, ball handling, passing, rebounding, one on one moves, position specific skills, free throws, shot fakes, amongst others. Also, he'll be teaching basic team instruction such as defense, pick n' roll and give n' go. Every camper will be placed on a team, and 5 on 5 games will be played on a daily basis – which allows each player to work on the skills that are being taught. Kevin runs an organized, competitive and challenging camp. And remember - the skills that he learned going to summer basketball camps as a kid, helped him get to the highest level of basketball in the world. So come join the FUN! Please bring a bag lunch and snack with you each day.

## Skyhawks Sports

provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life, such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active, healthy lifestyle. Our patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Please view our website at [www.skyhawks.com/minnesota](http://www.skyhawks.com/minnesota) for further information.

### Mini-Hawk Sports Camp Skyhawks

This T-ball, basketball, and soccer program gives children a fun and positive first step into athletics. Through games and activities, campers explore balance, hand/eye coordination, and skill development at their own pace. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Shin guards are recommended. If weather does not permit camp will move indoors to the BV Gym.

### Beginning Golf Skyhawks

Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. This camp will focus on the fundamentals of form, chipping, putting, driving and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. All equipment is provided. We keep the instructor-to-camper ratio for this program very low, resulting in limited availability. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes, and sunscreen. If weather does not permit camp will move indoors to the Southview Dining Gym.

## Lake Waconia Youth Fishing Club ☀️

Prepare your fishing pole and join the Lake Waconia Youth Fishing Club this summer! You'll learn to bait your hook, cast your line and have lots of fun catchin' fish with your friends! We will explore different baits and techniques to help us catch fish. This club is for the new and the experienced. Even if you're already familiar with fishing, take it to the next step and see who can land the biggest fish between you and your friends. We'll meet down at the Cedar Pointe Park Dock on Lake Waconia (near the tennis courts). All fishing will be from the safety of the dock and all fish will be released back into the lake. Bait will be provided for each of the nights but you must bring your own age appropriate rod and reel, and bobber. Parents are welcome to stay and fish with their child but it is not necessary. Space is limited on the pier, so casting room is appreciated! If weather does not permit Fishing Club for the evening will be cancelled and a make-up date will be posted. Please check your email in the event of questional weather to be notified if Fishing Club will be cancelled. One rain date is built in to the schedule. ## Kickball - Dodgeball Camp ☀️

**Kickball:** is all about the FUN! Similar to baseball, this playground favorite is played with traditional baseball rules and a few extra quirky rules mixed in. Instead of a bat and ball, kids kick, catch, throw and dodge an 8" playground ball, meaning that anyone can join in and have a great time.

**Dodgeball:** Played with soft Nerf Balls. This is the most popular Gym game by far for the last 75 years. Variations include: Trench ball, Bombardment, Dodge Football, Ga-Ga ball and Mushrooms and Aliens. The camp helps players learn and practice the core skills and techniques used in each sport and then allow them to practice these skills in a number of games and scrimmage with an emphasis on FUN. Campers will be divided by age and skill level. Staff to camper ratio 10:1. Please bring water, sunscreen and a great attitude! If weather does not permit the camp will be held indoors in the Bayview Gym.

## SNAG Golf (Starting New At Golf) ☀️

This Sports Unlimited golf program was created to meet the growing needs of the new generation of young golfers. Sports Unlimited uses SNAG (Starting New At Golf) equipment which involves golf clubs with oversized plastic heads and (tennis size) velcro golf balls to help kids develop the skills of hitting the ball. This special equipment is specifically designed for the entry level player. The camps are based on the philosophy of providing children with the opportunity to develop sports skills in a fun, safe and non-competitive environment. We will instruct the fundamentals of grip, stance, swing, ball contact, putting, chipping and driving. Children will be divided by age and skill level. No prior golf experience is necessary. All equipment is provided. Please bring sunscreen, water bottle, snack and appropriate dress. Staff to camper ratio 1-8. Campers will receive a water bottle and sportsmanship award. All equipment provided. If weather does not permit camp will be held in the Bayview Gym. Check us out here: [www.sportscampsunlimited.com/](http://www.sportscampsunlimited.com/)

## Carlson Tennis Stars Program

This is for our 11 & under kids. Our goal is development, fun, & success. Every Friday afternoon we have an optional Match Play Day. We use low compression balls, smaller rackets, and shorter courts to get the kids playing right away. All classes will be held at the Victoria/Holy Family Tennis Center. For questions on placement into each level, contact Dan Carlson at 612.875.5507 or dan@carlsontennis.com. Register online at [www.waconiacommunityed.org](http://www.waconiacommunityed.org). Rain make ups will be on the Friday of the same week if indoor back up is not available. Session Dates – Each session is 2 weeks and runs on Tuesday, Wednesday, Thursday (except session 2)

### Tennis Little Stars (ages 4-6)

This class is for our youngest players. We emphasize agility, balance, and coordination. These kids are in the Pre-Rally Stage of their development. We will focus on developing the skills that will get them to the rally stage. At the end of each session we will have a Skills Festival where the kids will compete as teams on their skills. FUN and SUCCESS is our goal!

## Waconia Area Gaming Society

48+ members strong in 2018-2019, come join the fun! Have you ever piloted a spaceship in a desperate battle to save humanity? Hunted orcs in the wild? Built a railroad empire? Visited the third moon of Zantos, or held the hot gates against the Persians with a small band of Spartans? We have! Join us for a monthly dose of fun, dice rolling, and adventure! The Waconia Area Gaming Society (WAGs) offers a once-a-month opportunity to do something different! We are a group of local board and strategy game fans who enjoy any excuse to break out our table-top, role-playing, and miniature games with friends old and new. Some of the games we have played in the past: Risk, Pathfinder, Firefly, Heroclix, Settlers of Catan, FUDGE, Battletech, Axis and Allies, Agricola, and Arkham. We meet the first Saturday of the month and usually decide a month ahead of time what we will play on game day. Due to the complexity of some of the games we may play, we ask that attendees be at least ten years old. Our only other requirements are that you abide by our three simple rules: 1) All attendees will bring a drink and snack to share. 2) The judge appointed for the game has the final say--no arguments. 3) Have fun! We hope that you will come and join us on our grand adventures through time, space, and... pizza! Caution: Getting involved in this group may cause you to laugh, smile and have a good time. Your spirits may be raised. You may make new friends. Please note, the Waconia Area Gaming Society is not responsible for spaceship crashes, goblin invasions, or outbreaks of Munchkinitis. No helmets necessary.

## Mudras: The Ancient Art of Hand Yoga

Mudras, or 'yoga of the hands' has been recognized for centuries as a simple yet effective healing tool. In ancient India, mudras were believed to be the key to spiritual, mental and physical wellbeing and that regular practice of the hand positions can rejuvenate body and mind. The hand positions are easy to do, take minutes to perform and can be done almost anywhere at any time. Mudras can also be used to help relieve numerous conditions such as anxiety, stress, digestive issues, weight loss, bloating, insomnia and so many more.

## The Dixie Swim Club Trip

No April Fools on this one! After lunch on your own at Maynard's, we're on our way to the Old Log Theater for The Dixie Swim Club. This touching comedy centers around five Southern women who became friends on their college swim team. The group sets aside a long weekend every August to recharge their relationships. Free from husbands, kids and jobs, they meet at the same beach cottage on North Carolina's Outer Banks to catch up, laugh and meddle in each other's lives. The play begins 22 years after they graduate from college. The Dixie Swim Club focuses on four of those weekends and spans a period of thirty-three years. As their lives unfold and the years pass, these women increasingly rely on one another, through advice and raucous repartee, to get through the challenges (men, sex, marriage, parenting, divorce and aging) that life flings at them. And when fate throws a wrench into one of their lives in the second act, these friends, proving the enduring power of 'teamwork', rally around their own with the strength and love that takes this comedy in a poignant and surprising direction. It is really a study in friendship and how it grows and changes through the years.

## Killer Country with the Killer Vees Trip

We'll begin with an included buffet lunch at the Coyote Moon Grille and then head for the St. Cloud Paramount Theatre for Killer Country with the Killer Vees. Jeff, Tommy and Matt Vee, national music scene veterans and sons and nephew respectively of the legendary Bobby Vee, join forces with their family and friends as The KILLER VEES to celebrate timeless music classics from the "Golden Age of Country." Known as the "rhythm section to the stars" The KILLER VEES have toured and performed with a virtual who's who in the music business: Chuck Berry, Roy Orbison, Paul McCartney, Little Richard, Jerry Lee Lewis and Ronnie Wood just to name a few! Coming from a musical family of the late Bobby Vee, the KILLER VEES are joined by Matt's wife Julie Velline on vocals, Brian C. Peters on steel guitar, Kale Reed on fiddle, Alex Green on vocals and guitar king Kurt "Lightning" Rodman. It's going to be a high-energy rockin' country afternoon!

## Shear Madness Trip

Ready for a little "improv" and to help solve a mystery? This looks to be really fun! We're going to the St. Croix Off Broadway Theatre at the Hudson House where we'll begin with an included dinner. Then it's time for Shear Madness, one of the most popular productions in the world, delighting audiences night after night with its unique blend of madcap improvisation and spine-tickling mystery. This unique comedy-whodunit takes place today in the "Shear Madness" hairstyling salon and is chock full of up-to-the-minute spontaneous humor. During the course of the action, a murder is committed and the audience gets to spot the clues, question the suspects, and solve the funniest mystery in the annals of crime. The outcome is never the same, which is why many audience members return again and again to the scene of the mayhem.

## Breaking Up Is Hard to Do Trip

Our destination is the Ives Auditorium in Bloomington where we'll begin with an included lunch of creamy chicken, roasted red potatoes, glazed carrots, coleslaw, dinner rolls, desserts and coffee/tea and water. (You're invited to join me for a brief tour of the facility after lunch.) Then we'll head for the theatre for Breaking Up Is Hard to Do. Set at a Catskills resort in 1960, this is the sweetly comic story of Lois and Marge, two friends from Brooklyn in search of good times and romance over one wild Labor Day weekend. The score showcases 18 Neil Sedaka classics, including Where the Boys Are, Sweet Sixteen, Calendar Girl, Love Will Keep Us Together and, of course, the chart-topping title song Breaking Up Is Hard to Do.

## Registration Policies

### Register Early

Classes fill up quickly. Please register at least one week in advance so we can make class enrollment decisions. We will accept registrations as long as there is space available in the class.

### Are you registered?

Assume the course will be held at the time and place indicated. Assume that you are enrolled unless you hear differently. We would call you if the class is cancelled or if the dates, times or locations have changed.

### Refunds/Cancellations

Notification to the Community Education office at least 6 working days or more prior to the start of the class/program is necessary to receive a full refund/credit/transfer (less a \$10 processing fee). No refunds or credits will be issued for vacation, illness or injury. Classes are not prorated.

- ECCE - Same as above.
- Kids' Company - The registration fee is non-refundable. For more information see the Kids' Company handbook.
- Waconia Wildcat Preschool - The registration deposit and supply fee is non-refundable. Class cancellations need to be received in the CE office two weeks prior to withdrawal or participant will be required to pay the difference.
- Behind the Wheel - A \$25 fee is assessed for cancelling out of this program.

### School Closings

If school is canceled or closes during the day due to bad weather, Community Education must cancel all youth activities. Adult activities may or may not be canceled. The CE office will call all adults if classes are to be canceled. Cancellation information will be posted on the Community Education website, [www.waconiacommunityed.org](http://www.waconiacommunityed.org) or call the activities hotline at 952.442.0675.

### Satisfaction Guarantee

If you are not satisfied with a Community Education class, program or event, please call and let us know.
