# Kids' Company Childcare

## Kids' Company Childcare -

If you are looking for quality child care in a school setting - look no further. Kids' Company offers children the opportunity to thrive in an atmosphere that supports positive growth. Children are given this opportunity starting at the age of three (must be toilet trained) through fifth grade. Kids' Company is open at 6:00 am and our last pick up time is 6:15pm. We are located at Bayview Elementary School, Southview Elementary School, Laketown Elementary School & Waconia Enrichment Center. Children may attend Kids' Company at the school they attend which means a peace of mind for parents. Kids' Company is available on most school release days.

Our belief at Kids' Company is that children need to be in an environment that will enhance their social, academic and positive self image. We accomplish these goals through exposure to new experiences, freedom of choice and building new friendships. Children are always placed in age appropriate classes. District 110 Early Childhood Family Education

## Welcome to Dist. 110 ECFE

Early Childhood Family Education (ECFE) is a District 110 Community Education program of Waconia Public Schools. All families with children ages birth to kindergarten are welcome. Our mission is to strengthen families through education, and support all parents toward healthy growth and development of their children.

Early Childhood Family Education offers classes, events and other programs designed by highly qualified teachers, specifically for families with young children. Most classes meet once a week for 1.5-2 hours. Quality child care is provided for siblings not enrolled in class.

A sliding fee scale is provided to make classes affordable for all families. No one will be denied participation for inability to pay.

## Elementary Age Parent Education

### Next Steps

The elementary years are an exciting time for parents and children alike. Trying new opportunities, learning, exploring, and going through changes. We get to applaud their accomplishments and help them work through frustrations or disappointments.

Growth like success is not a direct path. There will be starts and stops, challenges and successes. Join other parents from our community to celebrate, problem solve and learn how to support our elementary aged children. Discussions are facilitated by a licensed Parent Educator. This is a fun time to focus on how we want to raise our children.

We meet 1.5 hours every other week. Childcare is available for younger siblings who are not in school so that parents can focus without distraction. Topics are selected by group request. Popular topics have been: problem solving daily life, teaching skills of independence, friendships and social conflicts, bullying, and teaching children to be organized.

## Help Me Grow MN

Some children need extra help to learn and grow. Help Me Grow is a Minnesota state initiative that connects children with developmental delays and disabilities and their families to free, local early intervention services.

Is your child on track?

If you have a concern about a child's development, you can refer the child through Help Me Grow for a free screening or evaluation. Services are free to eligible children ages birth-5, regardless of income or immigrant status.

Help Me Grow's website, [helpmegrowmn.org](https://helpmegrowmn.org), offers valuable information to help parents and caregivers understand a child's development. Resources include developmental milestones, strategies to encourage development and information about referrals. To refer a child, visit [helpmegrowmn.org](https://helpmegrowmn.org) or call 866-693-GROW (4769).

# Early Childhood Screening

## Is your child 3 years old?

The early childhood years are an important time of rapid learning and growth. Early Childhood Screening is a **FREE** service offered by District 110 that will check a child's overall development and health. Children are screened by a licensed early childhood teacher and a school nurse. Results of the screening help identify any learning or health concerns that may require attention before a child enters kindergarten. **In Minnesota all children are required to complete Early Childhood Screening before kindergarten entrance, however, it is not a test for kindergarten.** The preferred age to screen is between the ages of 3 and 4 years old.

### Early Childhood Screening includes:

- \* A look at your child's development
- \* Vision and hearing checks
- \* Height and weight measurements
- \* Immunization and health history review

Screenings take place at the Early Childhood Family Center, 520 Industrial Blvd. **Register online at [www.waconiacommunityed.org](http://www.waconiacommunityed.org).** Click on Community Ed, go to Programs and scroll down to Early Childhood Screening. Please call **952-442-0613** to receive more information.

# Early Childhood Preschool Program

## Welcome to District 110 Waconia Wildcat Preschool

Waconia Community Education connects, empowers, and enriches lives through lifelong learning and service to our community. Early Childhood Education is a core component of Community Education where families and young children begin their relationship with Waconia Schools. We recognize that every student has unique needs. It is our goal to offer the best learning environment for your child. Academic and support specialists collaborate with classroom teachers to deliver classroom instruction. This collaboration is designed to support each child who comes through our door to reach his/her full potential.

Waconia Wildcat Preschool provides innovative classrooms where creativity and imagination flourish. Our inclusive program helps all children discover a joy of learning. Your child will be immersed in a stimulating environment that encourages physical, intellectual, and emotional development through play based investigation, purposeful questioning and exploration for deep learning and a seamless transition to kindergarten.

Waconia Wildcat Preschool is an ISD 110 program. We work closely with Early Childhood Special Education and kindergarten teachers to foster a successful transition from preschool to kindergarten. Call 952-442-0613 with questions or go to our website for more detailed information about each session.

### Goals of District 110 Preschool

At ISD110, our mission is to allow students to explore their passions and create success. In early childhood we give children a high quality preschool experience in partnership with parents. We strive to educate, collaborate, challenge, empower and support families, nurture development and treat all with respect.

We believe:

- Parents are children's first and most important teachers
- Licensed teachers nurture and provide structure to support young learners and parents
- Research based curriculum embedded with standardized goals will provide learning to ensure kindergarten readiness
- Classroom environments should be carefully designed to support developmentally appropriate exploration for preschool children
- Play opens the world of learning for the preschool child

## Waconia Area Gaming Society

48+ members strong in 2018-2019, come join the fun! Have you ever piloted a spaceship in a desperate battle to save humanity? Hunted orcs in the wild? Built a railroad empire? Visited the third moon of Zantos, or held the hot gates against the Persians with a small band of Spartans? We have! Join us for a monthly dose of fun, dice rolling, and adventure! The Waconia Area Gaming Society (WAGs) offers a once-a-month opportunity to do something different! We are a group of local board and strategy game fans who enjoy any excuse to break out our tabletop, role-playing, and miniature games with friends old and new. Some of the games we have played in the past: Risk, Pathfinder, Firefly, Heroclix, Settlers of Catan, FUDGE, Battletech, Axis and Allies, Agricola, and Arkham. We meet the first Saturday of the month and usually decide a month ahead of time what we will play on game day. Due to the complexity of some of the games we may play, we ask that attendees be at least ten years old. Our only other requirements are that you abide by our three simple rules: 1) All attendees will bring a drink and snack to share. 2) The judge appointed for the game has the final say--no arguments. 3) Have fun! We hope that you will come and join us on our grand adventures through time, space, and... pizza! Caution: Getting involved in this group may cause you to laugh, smile and have a good time. Your spirits may be raised. You may make new friends. Please note, the Waconia Area Gaming Society is not responsible for spaceship crashes, goblin invasions, or outbreaks of Munchkinitis. No helmets necessary.

## Girls Futsal (Small Sided Soccer)

Futsal is an exciting, fast-paced small sided soccer game that is played across the world and is officially recognized by both FIFA and UEFA. Why play Futsal? Futsal is played in an environment that motivates players and is conducive to learning. The small sided format allows players to have lots of touches on the ball and learn and use different soccer moves to attack and defend. Because Futsal is played with a low bouncing ball, players develop great footwork and can transition what they learn to both recreational and competitive soccer programs. Format: Players spend the first ½ of the session learning and mastering soccer skills. The second ½ of the session is spent playing the game of Futsal. The Futsal skills practiced and learned are very similar to those taught at Coerver or Pura Vida but offered locally and at a fraction of the cost.

Futsal: Allows players to frequently touch the ball, Presents many opportunities to score goals and score goals often, Maximizes active participation and minimizes inactivity and boredom, Focused on individual player development & Focus on the game by eliminating complicated rules

For those who wish to skip the evaluation process for baseball there is an opportunity to play local league this coming summer. In the event you were evaluated and not selected to a Metro Baseball team, you will receive a full refund minus the \$15 evaluation fee and \$10 processing fee. An email will be sent after evaluations to explain additional baseball options for spring/summer 2022. Teams will be formed after the winter 2022 evaluation date.

# Metro Baseball

Registrations for "playing up with your grade" need to be pre-approved by contacting Community Education at 952-442-0610. Games could be from late April - July. Typically twice per week on any night of the week. Coaches pick practice dates. Players are unable to play in both the Metro League and Pee Wee, Local League Baseball & Crow River Baseball. The number of teams are based on tryout scores/strength of team, not by the number of participants that tryout. There is no guarantee that there will be enough players to fill out any team. If there are enough skilled participants for multiple teams that could be created as well. WAA and the Baseball Advisory Board has the right to move boys up a level or shift to another team as it seems fit based on tryouts and numbers. The winter evaluation date/ location is TBD. Teams will be decided after the 2nd evaluation.

**Baseball Fees:** Payment of \$450 is due on or before September 21 2021. Other fees may apply based on if the team/coaches decide to play/qualify for additional tournaments and/or have paid coaches.

**\*\*Payment Option Available** - \$50 down payment before the registration deadline of September 21. On Friday, October 15 2021 your card will be charged \$200 with the remaining balance of \$200 will be charged on December 10, 2021. Fee includes a \$15 non-refundable evaluation fee. After December 10, 2021, a payment plan is no longer offered and you will need to pay the full fee. If you register after January 5, 2022 add \$30.

Fee includes 2 uniform tops, hat, two tournaments, equipment, game and field supplies, umpire fees, administration, coaching training/clinics, indoor batting cage/gym time, more practices run by high school coaches/board members. Other off season training and player development opportunities will be communicated via email as they are coordinated beginning fall of 2021. These will be a separate fee and registration.

\*New Uniforms & hats for 2022 will be available to try on for sizing at the winter evaluation.

**Refunds:** A program refund will be given minus \$25 processing fee and tryout fee through the date before the winter 2022 evaluation. After the winter evaluation date, no refunds will be given. No refunds will be given after the deadline or after the teams have been announced.

**NEW - Metro 9 year old Option**

#509 9YO/3rd gr.+ team if your birthday is on or between May 1, 2012 & April 30, 2013

New this year! This age group will not be placed in the Metro League for league play. There will still be a tryout in case there are enough kids for multiple teams. It will focus on player fundamentals. There will still be a team of 12 players and 2 -3 volunteer coaches. Board Members or Varsity coaches will also help at various practices to help with the fundamentals. A couple of scrimmages will be set up with different communities throughout the season along with one to two tournaments throughout the season.

**Baseball Fees:** Payment of \$225 is due on or before September 21 2021. Other fees may apply based on if the team/coaches decide to play/qualify for additional tournaments and/or have paid coaches. **\*\*Payment Option Available** - \$50 down payment before the registration deadline of September 21. On Friday, October 15, 2021 your card will be charged \$87.50 with the remaining balance of \$87.50 will be charged on December 10, 2021.

Fee includes one uniform top, hat, one to two tournaments, equipment, administration, coaching training/clinics, indoor batting cage/gym time, more practices run by high school coaches/board members.

I have been teaching the "Instant Piano" classes since 1993 and it has been one of the most enjoyable and rewarding things I have ever done. I teach something that I know is very valuable to my students and I make a good living at the same time. I can't think of anything else I could do where I could make hundreds of dollars in a single evening and have so much fun at the same time. It is extremely gratifying to teach people who are so eager to learn what I have to offer.

## Waconia Area Gaming Society

48+ members strong in 2018-2019, come join the fun! Have you ever piloted a spaceship in a desperate battle to save humanity? Hunted orcs in the wild? Built a railroad empire? Visited the third moon of Zantos, or held the hot gates against the Persians with a small band of Spartans? We have! Join us for a monthly dose of fun, dice rolling, and adventure! The Waconia Area Gaming Society (WAGs) offers a once-a-month opportunity to do something different! We are a group of local board and strategy game fans who enjoy any excuse to break out our tabletop, role-playing, and miniature games with friends old and new. Some of the games we have played in the past: Risk, Pathfinder, Firefly, Heroclix, Settlers of Catan, FUDGE, Battletech, Axis and Allies, Agricola, and Arkham. We meet the first Saturday of the month and usually decide a month ahead of time what we will play on game day. Due to the complexity of some of the games we may play, we ask that attendees be at least ten years old. Our only other requirements are that you abide by our three simple rules: 1) All attendees will bring a drink and snack to share. 2) The judge appointed for the game has the final say--no arguments. 3) Have fun! We hope that you will come and join us on our grand adventures through time, space, and... pizza! Caution: Getting involved in this group may cause you to laugh, smile and have a good time. Your spirits may be raised. You may make new friends. Please note, the Waconia Area Gaming Society is not responsible for spaceship crashes, goblin invasions, or outbreaks of Munchkinitis. No helmets necessary.
